Dear Sir,

**Request to postpone the deadline for Application Submission**

In response to your email dated 28 January 2026, with subject S.16 Planning Application No. A/YL-KTN/1194 – Department comments, our company would like to request to postpone the submission deadline for two months.

We would need extra time to address the comments (a) – (d) particularly (a) the information on the trip generation and attraction due to the development. It appears that we will fall short of the current deadline 6<sup>th</sup> February 2026 set out by your department.

I kindly seek your understanding on this matter. I am looking forward to your further reply.

Yours Faithfully,

Era Tailgate Engineering Compay
