

DRAFT APPROVED MAI PO AND FAIRVIEW PARK OUTLINE ZONING PLAN NO.
S/YL-MP/8A

(Being ~~a Draft~~ an Approved Plan for the Purposes of the Town Planning Ordinance)

NOTES

(N.B. These form part of the Plan)

- (1) These Notes show the uses or developments on land falling within the boundaries of the Plan which are always permitted and which may be permitted by the Town Planning Board, with or without conditions, on application. Where permission from the Town Planning Board for a use or development is required, the application for such permission should be made in a prescribed form. The application shall be addressed to the Secretary of the Town Planning Board, from whom the prescribed application form may be obtained.
- (2) Any use or development which is always permitted or may be permitted in accordance with these Notes must also conform to any other relevant legislation, the conditions of the Government lease concerned, and any other Government requirements, as may be applicable.
- (3) No action is required to make the use of any land or building which was in existence immediately before the first publication in the Gazette of the notice of **a draft plan including** the interim development permission area (IDPA) plan for Mai Po and Fairview Park, the IDPA plan for Nam Sang Wai or the IDPA plan for San Tin, whichever the case may be, **covering any such land or building**, conform to this Plan, provided such use has continued since it came into existence. Any material change of such use or any other development (except minor alteration and/or modification to the development of the land or building in respect of such use which is always permitted) must be always permitted in terms of the Plan or in accordance with a permission granted by the Town Planning Board.
- (4) A use or development of any land or building permitted under an earlier draft or approved plan including the IDPA plan for Mai Po and Fairview Park, the IDPA plan for Nam Sang Wai or the IDPA plan for San Tin, whichever the case may be, for the area and effected or undertaken during the effective period of that plan is always permitted under this Plan. Any material change of such use or any other development (except minor alteration and/or modification to the completed development of the land or building which is always permitted) must be always permitted in terms of the Plan or in accordance with a permission granted by the Town Planning Board.
- (5) Except to the extent that paragraph (3) or (4) applies, any use or development falling within the boundaries of the Plan and also within the boundaries of the IDPA plan for Mai Po and Fairview Park, the IDPA plan for Nam Sang Wai or the IDPA plan for San Tin, whichever the case may be, unless always permitted in terms of the Plan, shall not be undertaken or continued on or after the date of the first publication in the Gazette of the notice of the IDPA plan for Mai Po and Fairview Park, the IDPA plan

for Nam Sang Wai or the IDPA plan for San Tin, whichever the case may be, without permission from the Town Planning Board.

- (6) Except as otherwise specified by the Town Planning Board, when a use or material change of use is effected or a development or redevelopment is undertaken, as always permitted in terms of the Plan or in accordance with a permission granted by the Town Planning Board, all permissions granted by the Town Planning Board in respect of the site of the use or material change of use or development or redevelopment shall lapse.
- (7) Road junctions, alignment of roads and railway tracks, and boundaries between zones may be subject to minor adjustments as detailed planning proceeds.
- (8) The following uses or developments are always permitted on land falling within the boundaries of the Plan except (a) where the uses or developments are specified in Column 2 of the Notes of individual zones or (b) as provided in paragraph (9) in relation to areas zoned “Site of Special Scientific Interest” or “Site of Special Scientific Interest (1)” or “Conservation Area” or “Other Specified Uses” annotated “Comprehensive Development and Wetland Protection Area”:
 - (a) maintenance, repair or demolition of a building;
 - (b) provision, maintenance or repair of plant nursery, amenity planting, open space, rain shelter, refreshment kiosk, footpath, bus/public light bus stop or lay-by, cycle track, taxi rank, ***small unmanned aircraft take-off and landing facilities***, public utility pipeline, electricity mast, lamp pole, telephone booth, telecommunications radio base station, automatic teller machine and shrine;
 - (c) maintenance or repair of road, railway track, watercourse, nullah, sewer and drain;
 - (d) geotechnical works, local public works, road works, sewerage works, drainage works, environmental improvement works, marine related facilities and waterworks (excluding works on service reservoir) and such other public works co-ordinated or implemented by Government;
 - (e) rebuilding of New Territories Exempted House;
 - (f) replacement of an existing domestic building, i.e. a domestic building which was in existence on the date of the first publication in the Gazette of the notice of the IDPA plan for Mai Po and Fairview Park, the IDPA plan for Nam Sang Wai or the IDPA plan for San Tin, by a New Territories Exempted House; and
 - (g) provision, maintenance or repair of a grave of an indigenous New Territories villager or a locally based fisherman and his family members for which permission has been obtained from Government.
- (9) In areas zoned “Site of Special Scientific Interest” or “Site of Special Scientific Interest (1)” or “Conservation Area” or “Other Specified Uses” annotated “Comprehensive Development and Wetland Protection Area”,
 - (a) the following uses or developments are always permitted:

- (i) maintenance or repair of plant nursery, amenity planting, sitting out area, rain shelter, refreshment kiosk, road, watercourse, nullah, public utility pipeline, electricity mast, lamp pole, telephone booth, shrine and grave;
 - (ii) geotechnical works, local public works, road works, sewerage works, drainage works, environmental improvement works, marine related facilities, waterworks (excluding works on service reservoir) and such other public works co-ordinated or implemented by Government; and
 - (iii) provision of amenity planting by Government; and
- (b) the following uses or developments require permission from the Town Planning Board:

provision of plant nursery, amenity planting (other than by Government), sitting out area, rain shelter, refreshment kiosk, footpath, public utility pipeline, electricity mast, lamp pole, telephone booth and shrine.

- (10) In any area shown as 'Road', all uses or developments except those specified in paragraphs (8)(a) to (8)(d) and (8)(g) above and those specified below require permission from the Town Planning Board:

road, toll plaza, on-street vehicle park, railway station and railway track.

- (11) (a) Except in areas zoned "Site of Special Scientific Interest" or "Site of Special Scientific Interest (1)" or "Conservation Area" or "Other Specified Uses" annotated "Comprehensive Development and Wetland Protection Area", temporary use or development of any land or building not exceeding a period of two months is always permitted provided that no site formation (filling or excavation) is carried out and that the use or development is a use or development specified below:

structures for carnivals, fairs, film shooting on locations, festival celebrations, religious functions or sports events.

- (b) Except as otherwise provided in paragraph (11)(a) above, and subject to temporary uses for open storage and port back-up purposes which are prohibited in areas zoned "Site of Special Scientific Interest" or "Site of Special Scientific Interest (1)" or "Conservation Area" or "Other Specified Uses" annotated "Comprehensive Development and Wetland Protection Area" or "Other Specified Uses" annotated "Wetland Conservation Park", temporary use or development of any land or building not exceeding a period of three years requires permission from the Town Planning Board. Notwithstanding that the use or development is not provided for in terms of the Plan, the Town Planning Board may grant permission, with or without conditions, for a maximum period of three years, or refuse to grant permission.
- (c) Temporary use or development of land or building exceeding three years requires permission from the Town Planning Board in accordance with the terms of the Plan.

- (12) Unless otherwise specified, all building, engineering and other operations incidental to and all uses directly related and ancillary to the permitted uses and developments within the same zone are always permitted and no separate permission is required.
- (13) In these Notes, unless the context otherwise requires or unless as expressly provided below, terms used in the Notes shall have the meanings as assigned under section 1A of the Town Planning Ordinance.

“Existing building” means a building, including a structure, which is physically existing and is in compliance with any relevant legislation, the conditions of the Government lease concerned, and any other Government requirements, as may be applicable.

“New Territories Exempted House” means a domestic building other than a guesthouse or a hotel; or a building primarily used for habitation, other than a guesthouse or a hotel, the ground floor of which may be used as ‘Shop and Services’ or ‘Eating Place’, the building works in respect of which are exempted by a certificate of exemption under Part III of the Buildings Ordinance (Application to the New Territories) Ordinance (Cap. 121).

(Please see next page)

VILLAGE TYPE DEVELOPMENT (cont'd)

Planning Intention

The planning intention of this zone is to reflect existing recognized and other villages, and to provide land considered suitable for village expansion and reprovisioning of village houses affected by Government projects. Land within this zone is primarily intended for development of Small Houses by indigenous villagers. It is also intended to concentrate village type development within this zone for a more orderly development pattern, efficient use of land and provision of infrastructures and services. Selected commercial and community uses serving the needs of the villagers and in support of the village development are always permitted on the ground floor of a New Territories Exempted House. Other commercial, community and recreational uses may be permitted on application to the Town Planning Board.

Remarks

- (a) No new development, or addition, alteration and/or modification to or redevelopment of an existing building (except development or redevelopment to those annotated with #) shall result in a total development and/or redevelopment in excess of a maximum building height of 3 storeys (8.23m) or the height of the building which was in existence on the date of the first publication in the Gazette of the notice of the interim development permission area (IDPA) plan for Mai Po and Fairview Park, whichever is the greater.
- (b) Based on the individual merits of a development or redevelopment proposal, minor relaxation of the building height restriction stated in paragraph (a) above may be considered by the Town Planning Board on application under section 16 of the Town Planning Ordinance.
- (c) Any filling of land/pond or excavation of land, **including that necessary** to effect a change of use to any of those specified in Columns 1 and 2 above or the uses or developments always permitted under the covering Notes (except public works coordinated or implemented by Government, and maintenance, repair or rebuilding works), shall not be undertaken or continued on or after the date of the first publication in the Gazette of the notice of the IDPA plan for Mai Po and Fairview Park without the permission from the Town Planning Board under section 16 of the Town Planning Ordinance.

OTHER SPECIFIED USES (cont'd)

For "Comprehensive Development to include Wetland Restoration Area" only (cont'd)

Planning Intention

This zone is intended to provide incentive for the restoration of degraded wetlands adjoining existing fish ponds through comprehensive residential and/or recreational development to include wetland restoration area. It is also intended to phase out existing sporadic open storage and port back-up uses on degraded wetlands. Any new building should be located farthest away from Deep Bay.

Remarks

- (a) Application for permission of use or development, except as otherwise specified in paragraph (b) below, shall be in the form of a comprehensive development scheme to include wetland restoration proposal. An applicant shall prepare a layout plan and other documents showing the following information for consideration of the Town Planning Board:
 - (i) the proposed land uses, development parameters, the nature, position and heights of all buildings to be erected in the area;
 - (ii) a wetland restoration and/or creation scheme, including its detailed design, wetland buffer proposals, a long-term maintenance and management plan, and monitoring and implementation mechanism;
 - (iii) an environmental impact study report, including but not limiting to an ecological impact assessment and a visual impact assessment, to examine any possible environmental, ecological and visual problems that may be caused to or by the proposed development or redevelopment during construction and after completion and the proposed mitigation measures to tackle them;
 - (iv) landscape proposals;
 - (v) a traffic impact study report to examine any possible traffic problems that may be caused by the proposed development or redevelopment and the proposed measures to tackle them;
 - (vi) a drainage and sewerage impact study report to examine any possible flooding, drainage, sewerage and associated problems that may be caused to or by the proposed development or redevelopment and the proposed mitigation measures to tackle them;

---	---

Planning Intention

The planning intention of this zone is to allow the consideration of comprehensive low-density residential development or redevelopment provided that all the existing continuous and contiguous fish ponds within the zone are protected and conserved. The “no-net-loss in wetland” principle is adopted for any change in use within the zone. Development or redevelopment within this zone should involve no pond filling and no decline in wetland function of the fish ponds. Any new development should be located on the formed land and as far away from the existing fish pond within the development site.

(Please see next page)

OTHER SPECIFIED USES (cont'd)

For "Comprehensive Development and Wetland Protection Area" only (cont'd)

Remarks

- (a) Application for permission of use or development shall be in the form of a comprehensive development scheme with no pond filling and no decline in the wetland function of the fish ponds within and near the development site. An applicant shall prepare a layout plan and other documents showing the following information for consideration of the Town Planning Board:
- (i) the proposed land uses, development parameters, the nature, position and heights of all buildings to be erected in the area;
 - (ii) a wetland conservation and restoration scheme, including its detailed design, wetland buffer proposals, a long-term maintenance and management plan, and monitoring and implementation mechanism;
 - (iii) an environmental impact study report, including but not limiting to an ecological impact assessment and a visual impact assessment, to examine any possible environmental, ecological and visual problems that may be caused to or by the proposed development or redevelopment during construction and after completion and the proposed mitigation measures to tackle them;
 - (iv) landscape proposals;
 - (v) a traffic impact study report to examine any possible traffic problems that may be caused by the proposed development or redevelopment and the proposed measures to tackle them;
 - (vi) a drainage and sewerage impact study report to examine any possible flooding, drainage, sewerage and associated problems that may be caused to or by the proposed development or redevelopment and the proposed mitigation measures to tackle them;
 - (vii) programming, phasing and implementation schedule of each component of the proposed development or redevelopment (including the wetland conservation and restoration scheme); and
 - (viii) such other information as may be required by the Town Planning Board.

OTHER SPECIFIED USES (cont'd)

For "Comprehensive Development and Wetland Protection Area" only (cont'd)

Remarks (cont'd)

- (b) No new development, or addition, alteration and/or modification to or redevelopment of an existing building shall result in a total development and/or redevelopment in excess of a maximum plot ratio of 0.2 and a maximum building height of 3 storeys including car park, or the plot ratio, site coverage and height of the building which was in existence on the date of the first publication in the Gazette of the notice of the interim development permission area (IDPA) plan for Mai Po and Fairview Park, whichever is the greater.
- (c) In determining the maximum plot ratio for the purposes of paragraph (b) above, any floor space that is constructed or intended for use solely as car park, loading/unloading bay, plant room, **and** caretaker's office, **or** ~~and~~ caretaker's quarters, **and** ~~or~~ recreational facilities for the use and benefit of all the owners or occupiers of the domestic building or domestic part of the building, provided such uses and facilities are ancillary and directly related to the development or redevelopment, may be disregarded.
- (d) Any filling of land/pond or excavation of land, **including that necessary** to effect a change of use to any of those specified in Columns 1 and 2 above or the uses or developments always permitted under the covering Notes (except public works co-ordinated or implemented by Government, and maintenance, repair or rebuilding works), shall not be undertaken or continued on or after the date of the first publication in the Gazette of the notice of the IDPA plan for Mai Po and Fairview Park without the permission from the Town Planning Board under section 16 of the Town Planning Ordinance.

OTHER SPECIFIED USES (Cont'd)

Column 1 Uses always permitted	Column 2 Uses that may be permitted with or without conditions on application to the Town Planning Board
-----------------------------------	---

For "Wetland Conservation Park" only

Wetland Conservation Park	Field Study/Education/Visitor Centre
Agricultural Use (Fish Pond Culture only)	Government Refuse Collection Point
Nature Reserve	Government Use (not elsewhere specified)
On-Farm Domestic Structure	House (Redevelopment only)
Wetland Habitat	Nature Trail
Wild Animals Protection Area	Public Convenience
	Public Utility Installation
	Utility Installation for Private Project

Planning Intention

This zone is intended primarily for the development of a Wetland Conservation Park by the Government to conserve the wetlands with ecological/conservation values and safeguard the integrity of the wetland system; compensate for the impact on ecological and fisheries resources arising from the development of the San Tin/Lok Ma Chau area of the San Tin Technopole, thereby achieving 'co-existence of development and conservation'; provide eco-education and eco-recreation facilities for the public; and promote scientific research on aquaculture and develop modernized aquaculture industry.

Remarks

Any filling of land/pond or excavation of land, including that to effect a change of use to any of those specified in Columns 1 and 2 above or the uses or developments always permitted under the covering Notes (except all works as required/co-ordinated/implemented by the Government), shall not be undertaken or continued on or after the date of the first publication in the Gazette of the notice of the interim development permission area (IDPA) plan for Mai Po and Fairview Park or the IDPA plan for San Tin, whichever the case may be, without the permission from the Town Planning Board under section 16 of the Town Planning Ordinance.

CONSERVATION AREA

Column 1 Uses always permitted	Column 2 Uses that may be permitted with or without conditions on application to the Town Planning Board
Agricultural Use (Fish Pond Culture only) Nature Reserve On-Farm Domestic Structure Wetland Habitat Wild Animals Protection Area	Field Study/Education/Visitor Centre Government Refuse Collection Point Government Use (not elsewhere specified) House (Redevelopment only) Nature Trail Public Convenience Public Utility Installation Utility Installation for Private Project

Planning Intention

The planning intention of this zone is to conserve the ecological value of wetland and fish ponds which form an integral part of the wetland ecosystem in the Deep Bay Area. The “no-net-loss in wetland” principle is adopted for any change in use within this zone. The primary intention is to discourage new development unless it is required to support the conservation of the ecological integrity of the wetland ecosystem or the development is an essential infrastructure project with overriding public interest.

Remarks

- (a) No redevelopment, including alteration and/or modification, of an existing house shall result in a total redevelopment in excess of the plot ratio, site coverage and height of the house which was in existence on the date of the first publication in the Gazette of the notice of the interim development permission area (IDPA) plan for Mai Po and Fairview Park or the IDPA plan for San Tin, whichever the case may be.
- (b) Any filling of land/pond or excavation of land, **including that necessary** to effect a change of use to any of those specified in Columns 1 and 2 above or the uses or developments always permitted under the covering Notes (except public works coordinated or implemented by Government, and maintenance, repair or rebuilding works), shall not be undertaken or continued on or after the date of the first publication in the Gazette of the notice of the IDPA plan for Mai Po and Fairview Park or the IDPA plan for San Tin, whichever the case may be, without the permission from the Town Planning Board under section 16 of the Town Planning Ordinance.

SITE OF SPECIAL SCIENTIFIC INTEREST

Column 1 Uses always permitted	Column 2 Uses that may be permitted with or without conditions on application to the Town Planning Board
Wild Animals Protection Area	Agricultural Use Field Study/Education/Visitor Centre Government Use Nature Reserve Nature Trail On-Farm Domestic Structure Public Convenience Public Utility Installation Utility Installation for Private Project

Planning Intention

The planning intention of this zone is to conserve and protect the features of special scientific interest such as rare or particular species of fauna and flora and their habitats, corals, woodlands, marshes or areas of geological, ecological or botanical/biological interest which are designated as Site of Special Scientific Interest (SSSI). It intends to deter human activities or developments within the SSSI.

There is a general presumption against development in this zone. No developments are permitted unless they are needed to support the conservation of the features of special scientific interest in the SSSI, to maintain and protect the existing character of the SSSI, or for educational and research purposes.

Remarks

Any filling of land/pond or excavation of land, **including that necessary** to effect a change of use to any of those specified in Columns 1 and 2 above or the uses or developments always permitted under the covering Notes (**except public works co-ordinated or implemented by Government, and maintenance, repair or rebuilding works**), shall not be undertaken or continued on or after the date of the first publication in the Gazette of the notice of the interim development permission area plan for Mai Po and Fairview Park without the permission from the Town Planning Board under section 16 of the Town Planning Ordinance.

	Agriculture Use (Fish Pond Culture only) Field Study/Education/Visitor Centre Government Use Nature Reserve Nature Trail On-Farm Domestic Structure Public Convenience Public Utility Installation Wild Animals Protection Area

Planning Intention

The planning intention of this zone is to conserve the ecological value and function of the existing fish ponds within this zone and to deter development (other than those which are necessary to sustain or enhance the ecological value of the fish ponds within the zone or to serve educational or research purpose) within this zone.

Remarks

- (a) Application for permission of use or development shall be in the form of a comprehensive wetland conservation plan to include a wetland enhancement scheme with no decline in the wetland function of the fish ponds within and near the site. An applicant shall prepare a layout plan and other documents showing the following information for consideration of the Town Planning Board:
 - (i) the proposed land uses and a schematic layout;
 - (ii) a wetland conservation and enhancement scheme, including its detailed design, wetland buffer proposals, a long-term maintenance and management plan, and monitoring and implementation mechanism;
