- Deferral Request -**

We refer to the captioned S12A Application received by the Town Planning Board (“TPB”) on 11 November 2025 and tentatively scheduled for consideration by the Rural and New Town Planning Committee (“RNTPC”) in its meeting dated 27 February 2026.

The Applicant would like to submit the request for 2-month deferral of consideration by RNTPC in order to prepare Further Information (FI) to address the departmental comments received in January 2026. As the two-month Specified Period for FI submission related to first receipt of application has expired and the Applicant is already in progress of preparation of the FI, the Applicant would like to have the deferral request considered by RNTPC in its earlier meeting on 6 February 2026, such that the Applicant could submit FI sooner in the Specified Period after RNTPC’s decision on deferring its consideration on the application, should RNTPC accede to the deferral request.

Meanwhile, should you have any queries in relation to the above, please do not hesitate to contact Ms Pauline Lam or the undersigned at [REDACTED]

Thank you for your kind attention.
