1. Background

- 1.1 On 15.7.2025, the applicant sought planning permission for proposed place of recreation, sports or culture (golf putting range) with ancillary facilities and associated filling and excavation of land at the application site (**Plan R-1**) under section 16 of the Town Planning Ordinance (the Ordinance). On 5.12.2025, the RNTPC of the Town Planning Board (the Board) decided to reject the application.
- 1.2 On 5.1.2026, the applicant applied, under section 17(1) of the Ordinance, for a review of the RNTPC’s decision to reject the application. The application is scheduled for consideration by the Board at this meeting.

2. Request for Deferment

On 11.2.2026, the applicant’s representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the review application for two months in order to allow time for preparation of further information (FI) to address the departmental comments (**Annex A**).

3. Planning Department's Views

3.1 The Planning Department has no objection to the request for the first deferment as the justification for deferment meets the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33B) in that the deferment would allow the applicant to prepare FI to address departmental comments.

3.2 Should the Board agree to defer making a decision on the review application, the application will be submitted to the Board for consideration within three months upon receipt of FI from the applicant. If the FI submitted by the applicant is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Board's consideration. The applicant should be advised that the Board has allowed two months for preparation of the submission of FI, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Board is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Board for consideration at the next meeting.
