

**Government Departments with No Objection / No Adverse Comment**

The following government departments have no objection to or no adverse comment on the application:

- (a) District Lands Officer/Yuen Long, Lands Department;
- (b) Commissioner for Transport;
- (c) Chief Building Surveyor/New Territories West, Buildings Department;
- (d) Chief Engineer/Construction, Water Supplies Department;
- (e) Chief Engineer/Mainland North, Drainage Services Department;
- (f) Chief Highway Engineer/New Territories West, Highways Department;
- (g) Director of Fire Services;
- (h) District Officer (Yuen Long), Home Affairs Department;
- (i) Commissioner of Police; and
- (j) Project Manager (West), Civil Engineering and Development Department.

**Recommended Advisory Clauses**

- (a) to resolve any land issues relating to the development with the concerned owner(s) of the application site (the Site);
- (b) to note the comments of the District Lands Officer/Yuen Long, Lands Department (DLO/YL, LandsD) that;
- the Site comprises Government Land (GL) and Old Schedule Agricultural Lot(s) held under the Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government. No permission is given for the occupation of the GL (about 229m<sup>2</sup> subject to verification) included in the Site. Any occupation of GL without Government's prior approvals is an offence under Cap. 28;
  - the following lots within the Site are covered by Short Term Waiver (STW) as below:

<u>STW No.</u>	<u>Lot No. (D.D. 129)</u>	<u>Purposes</u>
3054	3169	Ancillary Use to Storage and Temporary Logistics Centre
4060	3150 RP	Temporary Logistics Centre and Ancillary Parking of Vehicles
4061	3162 RP	
4062	3163 RP	
4063	3164	
4064	3165	
4065	3166	
4066	3167 S.A	
4067	3168	
4068	3177	
4069	3179, 3183	
4070	3180	
4071	3181 S.A	
4072	3181 RP	
4073	3188 RP	
4378	3184	Temporary Shop for Construction Machinery Parts with Warehouse and Workshop, Logistics Warehouse and Logistics Vehicles Back-up Centre, and Ancillary Site Office, Guard Room and Staff Canteen
4379	3178, 3187 RP	

- the lot owner(s) should apply to his office for STW(s) and Short Term Tenancy (STT) to permit the structure(s) erected or to be erected within the Site lots if any and the occupation of the GL, and apply for modification of the existing STW(s) where appropriate. The application(s) for STW(s) and STT(s) will be considered by the Government in its capacity as a landlord and there is no guarantee that they will be approved. The STW(s) and STT(s), if approved, will be subject to such terms and conditions including the payment of waiver

fee and administrative fee as considered appropriate by LandsD. Besides, given the applied use is temporary in nature, only erection of temporary structure(s) will be considered;

- (c) to note the comments of the Commissioner for Transport that sufficient manoeuvring spaces shall be provided within the Site or its adjacent area. No vehicles are allowed to queue back to public roads or reverse onto/from public roads;
- (d) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department (CHE/NTW, HyD) that:
- the run-in/out from Lau Fu Shan Road to the Site shall be constructed and maintained by the applicant. The run-in/out shall be removed and the public road shall be reinstated to the satisfaction of HyD by the applicant upon completion of the use of site; and
  - adequate drainage measures shall be provided to prevent surface water running from the Site to the nearby public roads and drains;
- (e) to note the comments of the Chief Engineer/Mainland North, Drainage Services Department (CE/MN, DSD) that:
- the required condition record should include coloured photos showing the current condition of the drainage facilities and a layout plan indicating the locations of the photos taken. The submitted photos should cover all internal surface channels, catch pits, sand traps, manholes, terminal catch pits/manholes and the downstream discharge path as indicated on the submitted drainage proposal; and
  - the drainage facilities shall be properly designed, constructed and maintained in good condition without causing adverse drainage impact to the adjacent area at all times, and the applicant/owner is required to rectify/modify the drainage system if they are found to be inadequate or ineffective to accommodate the additional runoff arisen from the applied use. The applicant/owner shall also be liable for and shall indemnify claims and demands arising out of damage or nuisance caused by the failure or ineffectiveness of the drainage systems caused by his application;
- (f) to note the comments of the Director of Fire Services that if the proposed structures are required to comply with the Buildings Ordinance (BO) (Cap. 123), detailed fire services requirements will be formulated upon receipt of formal submission of general building plans;
- (g) to note the comments of the Director of Environmental Protection that the applicant is advised:
- to follow the latest “Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites”;
  - to follow the relevant guidelines and requirements in relevant Professional Persons Environmental Consultative Committee Practice Notes (ProPECCPNs). If septic tank and soakaway system will be used in case of unavailability of public sewer, its design and construction shall follow the requirements of ProPECC PN 1/23 “Drainage Plans subject to Comment by the Environmental Protection Department” including completion of percolation test and certification by Authorized Person;
  - to provide adequate supporting infrastructure/facilities for proper collection, treatment and disposal of waste/wastewater generated from the applied use; and

- to meet the statutory requirements under relevant environmental legislation;
- (h) to note the comments of the Project Manager (West), Civil Engineering and Development Department (PM(W), CEDD) that the Site falls within the study area of Lau Fau Shan Development under the consultancy Agreement No. CE 5/2024 (CE) “Developments at Lau Fau Shan, Tsim Bei Tsui and Pak Nai areas – Investigation”, which is the Investigation Study and jointly commissioned by Planning Department and CEDD. The implementation and land resumption/clearance programme of the Lau Fau Shan Development are currently being reviewed under the Investigation Study and subject to change. The applicant should be reminded that the Site may be resumed at any time during the planning approval period for potential development project and advised not to carry out any substantial works therein;
- (i) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department (CBS/NTW, BD) that:
- if the existing structures (not being a New Territories Exempted House) are erected on leased land without the approval of the Building Authority (BA), they are unauthorised building works (UBW) under the BO and should not be designated for any applied use under this planning application;
  - for UBW erected on leased land, enforcement action may be taken by the BD to effect their removal in accordance with the prevailing enforcement policy against UBW as and when necessary. The granting of any planning approval should not be construed as an acceptance of any existing building works or UBW on the Site under the BO;
  - before any new building works (including containers/open sheds as temporary buildings, demolition and land filling) are to be carried out on the Site, prior approval and consent of the BA should be obtained, otherwise they are UBW. An Authorized Person should be appointed as the co-ordinator for the proposed building works in accordance with the BO;
  - the Site shall be provided with means of obtaining access thereto from a street and emergency vehicular access in accordance with Regulations 5 and 41D of the Building (Planning) Regulations (B(P)R) respectively; and
  - the Site does not abut on a specified street of not less than 4.5 m wide and its permitted development intensity shall be determined under the Regulation 19(3) of the B(P)R at the building plan submission stage; and
- (j) to note the comments of the Commissioner of Police that in view of public safety, the applicant must maintain the smooth traffic flow of the concerned location and provide sufficient safety precautions to avoid obstruction or danger caused to any person or vehicle on the road.
