B&C

The entrance & exit is for private cars only and is 4.5 meters wide and there is enough space inside the private lot to do a u turn to exit to Kam Sheung Road either to Kam Tin/ Yuen Long or Sheung Tsuen direction.

This is the area where the private cars can do a u turn or able to execute a smooth manoeuvring of their vehicles without causing any problems for the cars on Kam Sheung Road either to Kam Tin/ Yuen Long or Sheung Tsuen direction.

D.

Noted that the local access between Kam Sheung Road and the site is not managed by the Transport Department.

Application No. : 11-28

Appendix (Photos for reference)

This is the area where the private cars can do a u turn at the site
The entrance & exit is for private cars only.

There are 4 designated private parking spaces under office B (located on the 1/F) allocated for the private cars for staff to park at the site. The exact location is under the office space B, as you see in the pictures there is enough empty space for cars to manoeuvre around at the site, when the car enter the site, it will not affect any traffic flow on Kam Sheung Road.

Remarks:

The car entering at the Entrance & Exit at the site, (location Lot 1488 RP in DD 106, Yuen Kong Tsuen, Pat Heung, Yuen Long) is very minimum as the car entering the site are either staff who are working at the site or they are coming with their clients to show the properties nearby at Kam Sheung Road. Occasionally outside clients will drive their own car and visit the site directly.
