Dear Town Planning Board Secretariat

This is Sandra Law from Ankor Driving School, Director of the subject Applicant. The subject application was originally scheduled for the consideration of TPB during the June 26th meeting. As the School has recently received comment from TD based on our application and additional time is required to prepare for our response, Ankor Driving School would like postpone our scheduled date. We will submit the supplementary documents requested by TD as soon as possible and later on seek your further assistance in re-scheduling our application to later board meeting.

Regards
