

Government Departments with No Objection / No Adverse Comment

The following government departments have no objection to or no adverse comment on the application:

- (a) District Lands Officer/Yuen Long, Lands Department;
- (b) Commissioner for Transport;
- (c) Chief Building Surveyor/New Territories West, Buildings Department;
- (d) Chief Engineer/Construction, Water Supplies Department;
- (e) Chief Engineer/Mainland North, Drainage Services Department;
- (f) Chief Highway Engineer/New Territories West, Highways Department;
- (g) Director of Fire Services;
- (h) Director of Environmental Protection;
- (i) District Officer (Yuen Long), Home Affairs Department;
- (j) Commissioner of Police; and
- (k) Project Manager (West), Civil Engineering and Development Department.

Recommended Advisory Clauses

- (a) to resolve any land issues relating to the development with the concerned owner(s) of the application site (the Site);
- (b) to note the comments of the District Lands Officer/Yuen Long, Lands Department (DLO/YL, LandsD) that:
- the Site comprises Old Schedule Agricultural Lots held under Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government; and
 - the following private lots are covered by Short Term Waivers (STWs) as below:

STW No.	Lot No. (in D.D. 125)	Purposes
3335	1978	Temporary Logistics Centre and Ancillary Use to Open Storage of Construction Materials and Machineries
3336	1979	
4167	1891 RP and 1970	
5058	1968, 1971 RP and 1973	Temporary Logistics Centre

- the STW holder(s) should apply to his office for modification of the STW(s) conditions where appropriate, and the lot owner(s) should apply to his office for STWs to permit the structure(s) erected within the said private lot(s). The application(s) for STW(s) will be considered by the Government in its capacity as a landlord and there is no guarantee that they will be approved. The application(s), if approved, will be subject to such terms and conditions including the payment of waiver fee/rent and administrative fee as considered appropriate by LandsD. Besides, given the applied use is temporary in nature, only erection of temporary structure(s) will be considered;
- (c) to note the comments of the Commissioner for Transport that:
- sufficient manoeuvring spaces shall be provided within the Site or its adjacent area. No vehicles are allowed to queue back to public roads or reverse onto/from public roads; and
 - the local track leading to the Site is not under Transport Department's purview. The applicant shall obtain consent of the owners/managing departments of the local track for using it as the vehicular access to the Site;
- (d) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department (CHE/NTW, HyD) that:
- the access road from Ping Ha Road to the Site is not maintained by HyD and HyD will not take up the maintenance responsibility of the access; and
 - adequate drainage measures shall be provided to prevent surface water running from the Site to the nearby public roads and drains;
- (e) to note the comments of the Chief Engineer/Mainland North, Drainage Services Department that:
- the required condition record should include coloured photos showing the current condition of the drainage facilities and a layout plan indicating the locations of the photos

taken. The submitted photos should cover all internal surface channels, catch pits, sand traps, manholes, terminal catch pits/manholes and the downstream discharge path as indicated on the submitted drainage proposal; and

- the drainage facilities shall be properly designed, constructed and maintained in good condition without causing adverse drainage impact to the adjacent area at all times, and the applicant/owner is required to rectify/modify the drainage system if they are found to be inadequate or ineffective to accommodate the additional runoff arisen from the application. The applicant/owner shall also be liable for and shall indemnify claims and demands arising out of damage or nuisance caused by the failure or ineffectiveness of the drainage systems caused by his application;
- (f) to note the comments of the Director of Fire Services that the existing fire service installations implemented on the Site should be maintained in efficient working order at all times;
- (g) to note the comments of the Director of Environmental Protection that the applicant is advised:
- to follow the latest “Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites”;
 - to follow the relevant guidelines and requirements in relevant Professional Persons Environmental Consultative Committee Practice Notes (ProPECCPNs). If septic tank and soakaway system will be used in case of unavailability of public sewer, its design and construction shall follow the requirements of ProPECC PN 1/23 “Drainage Plans subject to Comment by the Environmental Protection Department” including completion of percolation test and certification by Authorised Person;
 - to provide adequate supporting infrastructure/facilities for proper collection, treatment and disposal of waste/wastewater generated from the applied use; and
 - to meet the statutory requirements under relevant environmental legislation;
- (h) to note the comments of the Project Manager (West), Civil Engineering and Development Department (PM(W), CEDD) that the Site falls within the study area of Lau Fau Shan Development under the consultancy Agreement No. CE 5/2024 (CE) “Developments at Lau Fau Shan, Tsim Bei Tsui and Pak Nai areas – Investigation”, which is the Investigation Study and jointly commissioned by the Planning Department and CEDD. The implementation programme and land resumption/clearance programme of the Lau Fau Shan Development are currently being reviewed under the Investigation Study and subject to change. The applicant should be reminded that the Site may be resumed at anytime during the planning approval period for potential development project and advised not to carry out any substantial works therein;
- (i) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department (CBS/NTW, BD) that:
- if the existing structures (not being a New Territories Exempted House) are erected on leased land without the approval of the Building Authority (BA), they are unauthorised building works (UBW) under the Building Ordinance (BO) and should not be designated for any applied use under the captioned application;
 - for UBW erected on leased land, enforcement action may be taken by the BD to effect their removal in accordance with the prevailing enforcement policy against UBW as and when necessary. The granting of any planning approval should not be construed as an acceptance of any existing building works or UBW on the Site under the BO;

- before any new building works (including containers/open sheds as temporary buildings, demolition and land filling) are to be carried out on the Site, prior approval and consent of the BA should be obtained, otherwise they are UBW. An Authorized Person should be appointed as the co-ordinator for the proposed building works in accordance with the BO;
 - the Site shall be provided with means of obtaining access thereto from a street and emergency vehicular access in accordance with Regulations 5 and 41D of the Building (Planning) Regulations (B(P)R) respectively; and
 - The Site does not abut on a specified street of not less than 4.5m wide and its permitted development intensity shall be determined under the Regulation 19(3) of the B(P)R at building plan submission stage; and
- (j) to note the comments of the Commissioner of Police that in view of public safety, the applicant must maintain the smooth traffic flow of the concerned location and provide sufficient safety precautions to avoid obstruction or danger caused to any person or vehicle on the road.
