1. The Proposal

According to the covering Notes of the OZP, all uses or developments within the “U” zone except those specified in the Notes require planning permission from the Town Planning Board (the Board). The Site is currently paved, fenced-off and occupied by the applied use without valid planning permission (**Plans A-2 to A-4**).
- 1.2 The Site with ingress/egress at the northern part is accessible from Kung Um Road via a local track (**Plans A-2 and A-3**). According to the applicant, three single-storey structures and a two-storey structure (not exceeding 3m to 8m in height) with a total floor area of not more than 436m² will be erected for warehouse for storage of furniture, site office, rain shelter, guard room and toilet. One loading/unloading (L/UL) space for light goods vehicle (LGV) will be provided. No workshop activity will be carried out at the Site. No medium and heavy goods vehicles, including container tractors/trailers, as defined in the Road Traffic Ordinance will access the Site. Plans showing the vehicular access leading to the Site, site layout and drainage proposal submitted by the applicant are at **Drawings A-1 to A-3** respectively.
- 1.3 The Site was involved in two previous applications (No. A/YL-TYST/1021 and 1185) for temporary warehouse for storage of furniture which were approved by the Rural

and New Town Planning Committee (the Committee) of the Board in 2020 and 2022 respectively (details at paragraph 5 below) (**Plan A-1b**). Compared with the last approved application (No. A/YL-TYST/1185), the current application is submitted by the same applicant at the same site with the same layout and development parameters. The major development parameters of the current application are summarised as follows:

Major Development Parameters	Current Application No. A/YL-TYST/1356
Applied Use	Temporary Warehouse for Storage of Furniture for a Period of 3 Years
Site Area	About 401 m ²
Total Floor Area	Not more than 436 m ²
No. and Height of Structures	4 • for warehouse, guard room, site office, toilet and rain shelter (3 – 8m, 1 – 2 storey(s))
No. of Parking Space	Nil
No. of Loading/ Unloading Space	1 (for light goods vehicle) (7 m x 3.5 m)
Operation Hours	9:00 a.m. to 5:00 p.m., with no operation on Sundays and Public Holidays

1.4 In support of the application, the applicant has submitted the following documents:

- (a) Application Form with attachments received on 11.5.2026 (**Appendix I**)
- (b) Further Information (FI) received on 11.6.2026 (**Appendix Ia**)
[accepted and exempted from publication and recounting requirements]

2. **Justifications from the Applicant**

The justifications put forth by the applicant in support of the application are detailed in the Application Form and FI (**Appendices I and Ia**). They can be summarised as follows:

- (a) the Site was the subject of two previous permissions (No. A/YL-TYST/1021 and 1185) for the same applied use. The temporary nature of the current application would not jeopardise the long-term planning intention of the Site;
- (b) the applied use is in line with the Town Planning Board Guidelines for “Application for Open Storage and Port Back-up Uses” (TPB PG-No. 13G). Open storage and warehouse uses adjoining the Site were granted with planning permissions and their planning circumstances are similar to those of the Site. The applied use is compatible with the surrounding environment. Besides, there is a shortage of land for storage use in TYST; and
- (c) there will be minimal traffic, environmental and drainage impacts arising from the applied use.

3. **Compliance with the “Owner’s Consent/Notification” Requirements**

The applicant is one of the “current land owners”. In respect of the other “current land owner”, the applicant has complied with the requirements as set out in the Town Planning Board Guidelines on Satisfying the “Owner’s Consent/ Notification” Requirements under Sections 12A and 16 of the Town Planning Ordinance (TPB PG-No. 31B) by obtaining consent of the current land owner. Detailed information would be deposited at the meeting for Members’ inspection.

4. **Background**

The storage use on the Site is a suspected unauthorized development (UD) which would be subject to planning enforcement action.

5. **Previous Applications**

The Site was involved in two previous applications (No. A/YL-TYST/1021 and 1185) for the same temporary warehouse use which were both approved with conditions each for a period of three years by the Committee in 2020 and 2022 respectively mainly on the considerations that the proposal was not incompatible with the surrounding areas; approval of the application on a temporary basis would not frustrate the long-term development of the area; and departmental concerns could be addressed by implementation of approval conditions. The planning permission for the last application (No. A/YL-TYST/1185) lapsed on 12.11.2025. Details of the previous applications are summarised in **Appendix II** and the boundary of the site is shown on **Plan A-1b**.

6. **Similar Applications**

- 6.1 A total of 77 similar planning applications for various temporary warehouse uses with/without other uses within/straddling the subject “U” zone had been considered by the Committee in the past five years. Details of these similar applications are summarised in **Appendix III** and the locations of the sites are shown on **Plan A-1a**.
- 6.2 Out of the 77 similar applications, 76 were approved by the Committee between 2021 and 2025 mainly on similar considerations as those in paragraph 5 above.
- 6.3 The remaining application was rejected by the Committee in 2021 on the grounds that approval of the application with repeated non-compliances with approval conditions would set an undesirable precedent for other similar planning applications for temporary uses, thus nullifying the statutory planning control system.

7. **The Site and Its Surrounding Areas (Plans A-1a to A-4)**

7.1 The Site is:

- (a) accessible from Kung Um Road via a local track (**Plans A-2 and A-3**); and

- (b) currently paved, fenced off and occupied by the applied use without valid planning permission (**Plans A-2 to A-4**).

7.2 The surrounding areas comprise predominantly warehouses and open storage/storage yards with scattered residential structures, vehicle repair workshops, car servicing and vacant land/structures (**Plans A-2 and A-3**).

8. Planning Intention

- 8.1 The planning intention of the “U” zone is to cater for the continuing demand for open storage which cannot be accommodated in conventional godown premises. Any proposed developments within the zone should demonstrate that they will not have significant traffic, drainage and environmental impacts on the area.
- 8.2 According to the Explanatory Statement of the OZP, under the “Planning and Engineering Study for Housing Sites in Yuen Long South (YLS) – Investigation”, this area falls within the remaining stages of the YLS Development and the existing operations would be gradually phased out in stages.

9. Comments from Relevant Government Departments

All government departments consulted have no objection to or no adverse comment on the application. Their general comments on the application and advisory comments are provided in **Appendices IV and V** respectively.

10. Public Comment Received During the Statutory Publication Period

On 19.5.2026, the application was published for public inspection. During the statutory public inspection period, no public comment was received.

11. Planning Considerations and Assessments

- 11.1 The application is for temporary warehouse for storage of furniture for a period of three years at the Site which is zoned “U” on the OZP. The applied use is generally not in conflict with the planning intention of the “U” zone. The area is designated as “U” zone mainly due to concerns of the capacity of Kung Um Road. In this regard, the Commissioner for Transport (C for T) has no adverse comment on the application. Under the Revised Recommended Outline Development Plan of YLS New Development Area, the Site falls within an area zoned “District Open Space” under the Third Phase of YLS New Development Area. In this regard, the Chief Engineer/Cross-Boundary Infrastructure and Development of Planning Department (PlanD) and Project Manager (West) of Civil Engineering and Development Department have no objection to/no adverse comment on the application. Approval of the application on a temporary basis for a period of three years would not jeopardise the long-term development of the area.
- 11.2 The surrounding areas comprise predominantly warehouses and open storage/storage yards with scattered residential structures, vehicle repair workshops, car servicing

and vacant land/structures (**Plans A-2 and A-3**). The applied use is considered generally not incompatible with the surrounding areas.

- 11.3 Other relevant government departments consulted including the Director of Environmental Protection, Director of Fire Services and Chief Engineer/Mainland North of Drainage Services Department have no objection to or no adverse comment on the application from environmental, fire safety and drainage perspectives respectively. To address the technical requirements of concerned government departments, relevant approval conditions are recommended in paragraph 12.2 below. Should the planning application be approved, the applicant will be advised to follow the latest 'Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites' to minimise possible environmental nuisance on the surrounding areas.
- 11.4 Two previous applications for temporary warehouse at the Site was approved in 2020 and 2022 respectively and 76 similar applications within/straddling the subject "U" zone were also approved by the Committee in the past five years as mentioned in paragraph 6 above. Approval of the current application is in line with the previous decisions of the Committee.

12. Planning Department's Views

- 12.1 Based on the assessments made in paragraph 11, the Planning Department has no objection to the application.
- 12.2 Should the Committee decide to approve the application, it is suggested that the permission shall be valid on a temporary basis for a period of three years until 10.7.2029. The following conditions of approval and advisory clauses are also suggested for Members' reference:

Advisory clauses

The recommended advisory clauses are at **Appendix V**.

12.3 There is no strong reason to recommend rejection of the application.

13. Decision Sought

- 13.1 The Committee is invited to consider the application and decide whether to grant or refuse to grant permission.
- 13.2 Should the Committee decide to approve the application, Members are invited to consider the approval condition(s) and advisory clause(s), if any, to be attached to the permission, and the period of which the permission should be valid on a temporary basis.
- 13.3 Alternatively, should the Committee decide to reject the application, Members are invited to advise what reason(s) for rejection should be given to the applicant.
