主旨: Proposed Public Utility Installation (HV Pillar) at Government Land in D.D. 110, Tai Kong Po, Kam Tin North, Yuen Long - Submission of Further Information (Application No. A/YL-KTN/1272)
附件: S.16 Application_Tai Kong Po Proposed HV Pillar_ALTERNATIVE LOCATION FOR HV PILLAR.pdf; S.16 Application_Tai Kong Po Proposed HV Pillar_POSSIBLE CABLE ROUTING PLAN.pdf; S.16 Application Form_Tai Kong Po Proposed HV Pillar_Replacement Pages of Appendix I.pdf

Dear Sir/Madam,

Further to the tele-conversation with Ms. Athena LAI of your department dated 11 August 2026, we would like to submit herewith the further information to facilitate your consideration of our application:-

1. the replacement pages of Appendix I showing the demarcation of the two installations on the location plan;
2. the possible connection of the proposed HV pillar to the existing network and the target developments;
3. the alternative locations for the proposed HV pillar that were considered but found to be not feasible;
4. the gross floor area of 11.82 sq m refers to the areas occupied by the two installations only, excluding the gap between them; and
5. the daily working hour for the proposed works will be approximately from 08:30 to 18:00.

Regarding the comments from the Agriculture, Fisheries and Conservation Department (AFCD), please find our response as follows:-

Comments from AFCD (Contact Person: Ms. Chelly WONG, Tel: 2150 6933)	Response
It is noted from the aerial photo that the subject site is vegetated, yet it is noted from part 6 (A) (e) (iii) of form no. S16 III that there will be no tree felling. Please clarify whether tree will be felled for the proposed use.	As stated in part 9 of form no. S16-I, please be advised that no tree will be affected by the subject application and therefore no tree will be felled.

Should you have any enquiries, please contact the undersigned or our Mr. Issac Chung at [REDACTED]. Thank you.

Best Regards,

Howard Fung
