Dear Ms. Tsang,

RE: Planning Application No. A/NE-MKT/70

I note that there are still outstanding comments from relevant departments regarding the subject planning application. While our responses to these comments will be ready in two days, we have unfortunately missed the deadline for Further Information (FI) submission.

I would therefore like to request a two-month deferment of the application to allow us sufficient time to submit the FI.

For your information, the applicant is under severe pressure to relocate to the subject site due to the tight deadline and impending resumption at the current site. We hope the Town Planning Board (TPB) can kindly take these circumstances into consideration.

I would be grateful if the TPB could consider our deferment request at the meeting on October 23, 2026, so that we may submit the FI and proceed with the application as soon as possible.

Please acknowledge receipt of this request.
