Subject: Request for Deferment of Consideration of Section 16 Planning Application No. **A/YL-KTN/1284**

Dear Sir/Madam,

I refer to the captioned Section 16 planning application.

As advised, comments and questions have been received from various Government departments during the circulation process. Additional time is required for liaison with the relevant departments, further discussion and clarification of the outstanding issues, and preparation of supplementary information and responses as necessary.

To allow sufficient time for these discussions and the resolution of the departmental comments, we hereby request that consideration of the application be deferred for a period of **two months**.

We would be grateful if this request for deferment could be considered favourably. Should you require any further information, please do not hesitate to contact the undersigned.

Thank you for your attention.

Yours sincerely,
KT TAM
