Remarks

Approval Conditions

- (1) The provision of fire service installations and equipment to the satisfaction of the Director of Fire Services or of the Town Planning Board (TPB).
- (2) The submission of a sewerage impact assessment report to the satisfaction of the Director of Drainage Services or of the TPB.
- (3) The implementation of the local sewerage upgrading/sewerage connection works identified under approval condition (2) to the satisfaction of the Director of Drainage Services or of the TPB.
- (4) The submission of a layout plan for the application premises to the satisfaction of the Director of Planning or of the TPB.

Advisory Clauses

- (a) to note the comments of the Government Property Administrator (GPA) that under the tenancy requirements, application for commercial concession should be submitted to GPA for consideration. Such application, if received, would be circulated to relevant government departments for consideration and any approval to be given would be subject to the terms and conditions based on the comments received;
- (b) to note the comments of the Assistant Director (Property Services) of Architectural Services Department that the applicant and his appointed suitably qualified person(s) shall be responsible for the design, construction and future maintenance of the proposed works. A Registered Structural Engineer (RSE) shall be appointed to prepare and submit structural design drawings and calculation with his / her endorsement for checking and approval by the Government. The appointed RSE shall ensure that the design and supervision requirements set out under the Buildings Ordinance and the subsidiary legislation made thereunder and any amendments thereto are complied with in the design and construction of the structural works. The appointed RSE shall also verify the actual site conditions against the design assumptions prior to the construction, and shall certify that the completed works are carried out in accordance with the design and, in his opinion, structurally safe; and
- (c) to note the comments of the Director of Fire Services that detailed fire services requirements will be formulated upon receipt of formal submission of general building plans.
