Recommended Advisory Clauses

- (a) Prior planning permission should have been obtained before commencing ‘Shop and Services’ use at the Premises.
- (b) To note the comments of District Lands Officer/Kowloon East (DLO/KE, LandsD) that the proposed use of “Shop and Services” is in contravention of the lease conditions of the Lot. Upon the planning application approved by the Board, the owner of the Premises, if intended to use the Premises, shall apply to LandsD for a waiver/lease modification to implement the proposal. Upon receipt of the waiver/lease modification, it will be considered by LandsD acting in the capacity as the landlord but there is no guarantee that the waiver/lease modification application would be approved. In the event the waiver/lease application is approved, it will be subject to such terms and conditions, including, among others, the payment of waiver fee/premium and administration fee as may be imposed by LandsD at its own discretion. Approval by the Town Planning Board shall not prejudice the Government’s right to take enforcement action against any breach of lease conditions identified at the Premises. Upon receipt of the application of waiver/lease modification, if applied by the owner of the Premises, they are required to demonstrate the dimensions and calculation of the floor area in all respects to the satisfaction of LandsD.
- (c) To note the comments of the Director of Fire Services (D of FS) that the applicant shall comply with the “Code of Practice for Fire Safety in Buildings” administered by the Building Authority in relation to fire resisting construction of the Premises, and observe the “Guidance Note on Compliance with Planning Condition on Provision of Fire Safety Measures for Commercial Use in Industrial Premises”.

- (vi) for unauthorized building works (UBW) erected on private land/buildings, enforcement action may be taken by the BD to effect their removal in accordance with BD's enforcement policy against UBW as and when necessary. The granting of any planning approval should not be construed as an acceptance of any existing building works or UBW on the application site under BO; and
- (vii) the applicant's attention is drawn to Practice Note for Authorized persons, Registered Structural Engineers and Registered Geotechnical Engineer APP-47 that the Building Authority has no powers to give retrospective approval or consent for any UBW.
