1. Background

On 8.12.2021, the applicants submitted the current application to seek planning permission for ‘Shop and Services’ at the subject premises (**Plan A-1**). The application is scheduled for consideration by the Metro Planning Committee (the Committee) at this meeting.

2. Request for Deferment

On 14.1.2022, the applicants’ representative wrote to the Secretary, Town Planning Board (the Board) and requested the Board to defer making a decision on the application for a period of two months in order to address comments from the Fire Services Department (**Appendix I**).

3. Planning Department's Views

- 3.1 The Planning Department has no objection to the request for the first deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33A) in that the deferment would allow the applicant to prepare further information to address outstanding issue(s).
- 3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicants. If the further information submitted by the applicants is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicants should be advised that the Committee has allowed two months for preparation of the submission of further information, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicants' request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
