Advisory Clauses

- (a) prior planning permission should have been obtained before commencing the applied use at the Premises.
- (b) to note the comments of the District Lands Officer/Kowloon West, Lands Department (DLO/KW, LandsD) that the proposed ‘Shop and Services’ use at the Premises does not comply with the Lease. If the planning application is approved by the Board, the owner of the Premises has to apply to LandsD for waiver or no-objection letter for the proposed use. However, there is no guarantee that the approval will be given. The application, if received by LandsD, will be considered by LandsD acting in the capacity as the landlord at its sole discretion. In the event that the application is approved, it would be subject to such terms and conditions including, among others, the payment of waiver fee/premium and administrative fee as may be imposed by LandsD.
- (c) to note the comments of the Chief Building Surveyor/Kowloon, Buildings Department (CBS/K, BD):
 - (i) the Premises should be separated from the remaining portion of the building with fire barriers with fire resistance rating of 120 minutes;
 - (ii) before any new building works are carried out, prior approval and consent from the Building Authority (BA) under Building Ordinance (BO) should be obtained, unless the works fall within the scope of designated minor works that can be carried out under the simplified requirements specified in the Building (Minor Works) Regulation or such works are exempted works;
 - (iii) for unauthorised building works (UBW) erected on private land/buildings, enforcement action may be taken by BA to effect their removal in accordance with BD’s enforcement policy against UBW as and when necessary. The granting of any planning approval should not be construed as an acceptance of any UBW at the Premises under BO;
 - (iv) if the proposed use under the application is subject to the issue of a licence, applicant should be reminded that any existing structures on the Premises intended to be used for such purposes are required to comply with the building safety and other relevant requirements as may be imposed by the licensing authority; and
 - (v) detailed comments under BO will be given at the building plan submission stage.
- (d) to note the comments of the Director of Fire Services (D of FS) that:
 - (i) fire service installations and equipment should be provided to the satisfaction of the D of FS and means of escape completely separated from the industrial portion should be available for the Premises;
 - (ii) detailed fire services requirements will be formulated upon receipt of formal submission of general building plans;
 - (iii) regarding matters related to fire resisting construction of the Premises, the applicant is reminded to comply with the “Code of Practice for Fire Safety in Buildings” which is administered by the BA; and

- (iv) the applicant's attention should be drawn to the "Guidance Note on Compliance with Planning Condition on Provision of Fire Safety Measures for Commercial Uses in Industrial Premises" if the application is approved.
- (e) to note the comments of the Commissioner for Transport (C for T) that the applicant's attention should be drawn that C for T has the rights to impose, alter or cancel any car parking, loading/unloading facilities and/or and no-stopping restrictions on all local roads to cope with changing traffic conditions and needs. The frontage of road space would not be reserved for any exclusive uses of the subject development.
- (f) to note the comments of the Director of Food and Environmental Hygiene (DFEH) that:
proper licence/permit shall be obtained from the Food and Environmental Hygiene Department (FEHD) if there is any food business regulated by DFEH under the Public Health and Municipal Services Ordinance (Cap. 132) and other relevant legislation:
 - (i) under the Food Business Regulation, Cap. 132X, a Food Factory Licence must be obtained from FEHD for food business which involves the preparation of food for sale for human consumption off the premises before commencement of such business; and
 - (ii) the application for Food Factory Licence, if acceptable by FEHD, will be referred to relevant Government departments, such as LandsD and the Planning Department for comment. If there is no objection from the departments concerned, a letter of requirements will be issued to the applicant for compliance and the licence will be issued upon compliance of all the requirements.
