**10. Justifications 理由**

The applicant is invited to provide justifications in support of the application. Use separate sheets if necessary.  
現請申請人提供申請理由及支持其申請的資料。如有需要，請另頁說明。

The applicant seeks to use Lots 6 S.C (Part) and 7 (Part) in D.D. 125, Fung Kong Tsuen, Yuen Long, New Territories (the Site) for 'Proposed Temporary Shop and Services for a Period of 5 Years' (proposed development) (**Plan P01**). The applicant would like to use the Site to operate construction material retail shop to serve nearby local.

The Site falls within an area zoned as "Government, Institution or Community" ("G/IC") on the Approved Hung Shui Kiu and Ha Tsuen OZP No. S/HSK/2 (**Plan P02**). According to the Notes of the OZP, 'shop and services' is a column 2 use within the "G/IC" zone, which requires permission from the Board. Since the application is only on a temporary basis, it will not jeopardize the long term planning intention of the "G/IC" zone.

The Site occupied an area of 1,346 sq.m (about) of private land (**Plan P03**). Three structures are proposed at the Site for shop and services, office and storage with total GFA of 276 sq.m (about)(**Plan P04**).

The operation hours of the proposed development are 09:00 - 18:00 daily (including public holiday). The estimated maximum number of visitor per day are 10 (about) on weekday and weekend. The estimated number of staff working at the Site is 8.

The Site is accessible from Fung Kong Tsuen Road via a local access (**Plan P01**). Four private car parking and one loading / unloading spaces for light goods vehicle are provided for the use of staff and visitor only. Sufficient maneuvering space is provided within the Site to ensure no queuing, turning back outside the Site and onto public road. Medium or heavy goods vehicles, including container tractor/trailer are prohibited to parked/stored at the Site.

The applicant will strictly follow the Professional Persons Environmental Consultative Committee Practice Notes (ProPECCPNs) for sewage treatment at the Site. The applicant will strictly follow the 'Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites' by the EPD to minimize all possible environmental impacts on the nearby sensitive receivers. No workshop activities and storage of dangerous goods will be carried out at the site at any time during the planning approval period.

The proposed development will not create significant adverse traffic, environmental, landscape and drainage impacts to the surrounding areas. Adequate mitigation measures, i.e. submission of drainage, landscape and FSIs proposals will be provided to minimize nuisance to the existing environment after planning approval has been granted by the Board.

In view of the above, the Board is hereby respectfully requested to approve the subject application for 'Proposed Temporary Shop and Services for a Period of 5 Years'.

**Reasons for rejection:**

1. The proposed development is not in line with the planning intention of the “Government, Institution or Community” (“G/IC”) zone which is intended primarily for the provision of Government, institution or community facilities serving the needs of the local residents and/or a wider district, region or the territory. No strong planning justification has been given in the submission for a departure from such planning intention, even on a temporary basis.

2. The proposed development is not compatible with the surrounding land uses which are predominantly residential in nature.
3. Approval of the application, even on a temporary basis, would set an undesirable precedent for similar applications within the same "G/IC" zone. The cumulative effect of approving such similar applications would result in a general degradation of the environment of the area.

**Advisory Clauses**
