**1. Background**

On 28.1.2022, the applicant sought planning permission for proposed temporary logistics centre with ancillary office and canteen for a period of 3 years at the application site (**Plan A-1**). In light of the special work arrangement for government departments due to the novel coronavirus infection, the meeting originally scheduled for 18.3.2022 for consideration of the application has been rescheduled, and the Town Planning Board (the Board) agreed to defer consideration of this application. The application is now scheduled for consideration by the Rural and New Town Planning Committee (the Committee) at this meeting.

## **2. Request for Deferment**

On 20.5.2022, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for 2 months in order to allow time to address the comments from the Fire Services Department and the Buildings Department (**Appendix I**).

## **3. Planning Department's Views**

3.1 The Planning Department has no objection to the request for the first deferment as the justification for deferment meets the criteria as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33A) in that the deferment would allow the applicant to prepare further information to address outstanding issues.

3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within 2 months upon receipt of further submission from the applicant. If the further information submitted by the applicant is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed 2 months for preparation of the submission of further information, and no further deferment would be granted unless under very special circumstances.

## **4. Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
