<u>Application</u>	: Proposed Minor Relaxation of Plot Ratio Restriction for Permitted Residential Development

1. Background

- 1.1 On 19.3.2021, the applicant submitted a planning application to seek permission for minor relaxation of plot ratio restriction for permitted residential development at the application site (**Plan A-1**).
- 1.2 On 14.5.2021, the Rural and New Town Planning Committee (the Committee) agreed to defer a decision on the application for two months, as requested by the applicant, to allow time for the applicant to prepare further information (FI) to address departmental comments. Upon receipt of the applicant’s FI on 7.7.2021, the application is scheduled for consideration by the Committee on 27.8.2021.

2. Request for Deferment

On 12.8.2021, the applicant’s representative wrote to Secretary of the Town Planning Board (the Board) and requested the Board to defer the consideration of the application for two months for additional time to prepare for responses to various departmental comments, and to explore possibilities to amend the layout to address the departmental comments. (**Appendix I**).

3. **Planning Department's View**

- 3.1 The application has been deferred once for two months at the request of the applicant to allow more time to address the departmental comments. Since the first deferment on 14.5.2021, the applicant has submitted a FI on 7.7.2021. The applicant is in process of preparing responses to departmental comments on the FI and needs more time for the preparation.
- 3.2 The Planning Department has no objection to the request for deferment as the justification for deferment meets the criteria for deferment as set out in the Town Planning Board Guideline on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that more time is required for the applicant to prepare FI to response to departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.
- 3.3 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of FI from the applicant. If the FI submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. Since it is the second deferment of the application, the applicant should be advised that the Board has allowed a total of four months for preparation of submission of further information, and no further deferment would be granted unless under very special circumstances.

4. **Decision Sought**

There Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
