Dear Jeffrey,

Please find the following comments from DSD (Contact Person: Mr Samuel WANG, Tel.: 2300 1135) regarding your submitted Further Information:

" Please be advised that our adverse view conveyed remain valid. The applicant shall provide substantiation on the committed reinstatement works including the detailed design, engineering method, and implementation programme etc.. And the applicant shall demonstrate the site formation and drainage proposal can cater to the site condition after the reinstatement works."

Regards
