Dear Sir,

I am writing this email to provide reason for the deferral:

- 1) More time is needed to find suitable consultant to cope with the departmental comments,
- 2) More time is needed to communicate with transport consultant.

Should you have any query, please feel free to contact me at

Regards,
Dickson Man

All Sir,

I refer to the captioned case, I would like to ask for two months deferral to address the departmental comments.

Should you have any query, please feel free to contact me at

Regards,
Dickson Man
