1. Background

- 1.1 On 28.5.2021, the applicant submitted a planning application for proposed access road for Government, Institution and Community uses at the adjoining “Government, Institution or Community” zone and associated filling and excavation of land at the application site (the Site) (**Plan A-1**).
- 1.2 On 23.7.2021, the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) agreed to defer making a decision on the application for two months, as requested by the applicant, to allow time to prepare further information (FI) to address departmental comments. On 16.9.2021 and 24.9.2021, the applicant submitted FIs in response to departmental and public comments. The application is scheduled for consideration by the Committee on 12.11.2021.

2. **Request for Deferment**

On 26.10.2021, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for another two months in order to allow time to prepare FI to address departmental comments (**Appendix I**).

3. **Planning Department's Views**

- 3.1 The application has been deferred once for two months at the request of the application to allow more time to address departmental comments. Since the first deferment on 23.7.2021, the applicant's representative has submitted FIs on 16.9.2021 and 24.9.2021 providing a revised layout plan showing the revised site boundary, revised landscape design and tree preservation proposal, revised Environmental Assessment, revised Ecological Impact Assessment, revised Geotechnical Planning Review Report, an updated development schedule to reflect the reduction in site area and responses to departmental and public comments. According to the applicant's representative, more time is required for the preparation of FI to address further departmental comments.
- 3.2 The Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33A)¹ in that the applicant needs more time to prepare FI to address the departmental comments, the deferment period is not indefinite, and the deferment would not affect the interests of other relevant parties.
- 3.3 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicant. If the FI submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. Since it is the second deferment of the application, the applicant should be advised that the Committee has allowed a total of four months for preparation of submission of FI, and no further deferment would be granted unless under very special circumstances.

4. **Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
