Miss Wun:

Regarding the earlier received issues with applications TK/825 and TK/826, here are the clarifications:

1. The operating hours for both applications are the same as indicated on the forms. TK/825 operates from Monday to Sunday from 10am to 8pm, and TK/826 operates from Monday to Sunday from 8am to 8pm, both including public holidays.
2. The existing structures for both applications will remain as is without any alterations.
3. The staircase and the roof-top of the structure for TK/825 have no proposed use. The staircase is not included in the application area, therefore it does not constitute part of this application.
4. The existing structure for TK/826 currently has no use and will only be used as a store after the application is approved.
5. The canopy attached to the existing structure of TK/826 is also included in the site area.

Victor, Hui Kwan Yee

Ms. Wun,

In reference to your email regarding DLO/TP's feedback on TK/826, the structures located outside the proposed area (42.4 m²) are not part of this application.

This application does not cover the additional structures, the site area will remain as 42.4 m². Should the application be accepted, the applicant ensure that proposed store will not use the nearby private land lots area.

2. Landscape

Comments of the Chief Town Planner/Urban Design and Landscape, Planning Department (CTP/UD&L, PlanD):

- (b) according to the site photos taken on 7.10.2024, the Sites are occupied by a structure each with no significant landscape resource observed. Significant adverse impact on the existing landscape resources arising from the continual use is not anticipated. She has no objection to the applications from landscape planning perspective.

- (ii) a recent inspection revealed that one temporary structure with staircase and two vending machines were found on the Site. As the staircase and vending machines do not form part of the application, the applicant should immediately remove them. LandsD would not proceed Short Term Wavier (STW) application which extent is not covered by the Town Planning Board's (the Board's) decision/ approval;
- (iii) there is no guarantee to the grant of a right of way to the Site or approval of the emergency vehicular access thereto;
- (iv) the lot owner/ applicant should adhere to the warning letters issued against the unauthorized structures by clearing all existing structures on the Site immediately. Further lease enforcement action would be taken without further notice unless valid approval is obtained;
- (v) the lot owner shall apply to his office for a STW to permit the structures erected within the said private lots. The application for STW will be considered by the Government in its capacity as a landlord and there is no guarantee that it will be approved. The STW, if approved, will be subject to such terms and conditions including the payment of waiver fee and administrative fee as considered appropriate by LandsD. Besides, given the proposed use is temporary in nature, only erection of temporary structures will be considered;

Application No. A/NE-TK/826

LandsD would not proceed STW application which extent is not covered by the Board's decision/ approval;

The lot owners shall apply to his office for a fresh STW to permit the structures erected within Lot Nos. 1651 S.A, 1655 and 1656 all in D.D. 17. Dear TPB Members,

Previous Application 754 approved 9 Sept 2022 but revoked 9 Mar 2024 for failure to fulfil both Fire and Drainage conditions.

Solution, continue to operate and file a fresh application because this is NT 1a, not like urban districts where regulations are enforced.

Installing proper drainage and fire equipment for such a small enterprise is surely not that difficult.

Members should reject the application.
