Dear Sir/Madam

I am writing referring to CLP S16 application at Hang Hau Wing Lung Road Sai Kung, with the application No. A/SK-CWBN/67 (CLP ref : WESK2019-0200-01).

We would like to request for extra time for solving the concern and provide supplementary information to TPB.

As received public objection about the application, CLP engineers have phone conversation with the objector and illustrate our work on 13 Oct. We are now seeking consent from the objector. To explain our work clearly, we are arranging a Site meeting with objector and villager in the beginning of 2022

On the other hands, the comment from Planning Department, CLP engineer have site visit at early of October, we confirm no tree felling is needed. The proposed pole locates with safety clearance from the crowns of the nearby existing tree.

In this connection, we would like request for 2 months deferral of the captioned application for our extra process.

Sorry for any inconvenience caused.
