Dear Gabriel,

I refer to our telephone conversation yesterday.

On behalf of our client, we write to request for a 2-months extension for responding to the comments from all departments. Such a request allows our client consultants to have ample time for collecting the data to prepare all further information.

We thank you in anticipation of your kind approval to our request. Should you have any further queries, please feel free to contact me at 2139 6616.

Best Regards,
Jack Au Yeung

Dear Jack,

I suppose you mean you want to request the Town Planning Board to defer making a decision on the application for 2 months in order to allow more time for preparation of further information to address departmental comments. If affirmative, please submit a letter to the Town Planning Board accordingly.

Regards,
Gabriel
