**Subject:** Extension of A/YL-KTN/1022

Dear The Town Planning Board,

I am the applicant of A/YL-KTN/1022, thank you for the comment of our application, however we would need additional time to properly address all the comments, therefore we would like to request for 2 months extension for our application.

If any concerns arise regarding our extension, please contact Mr. Pak at or simply reply this email.  
Thank you very much!

**Best Regards,**
