申請理由

錦田市 18A 是一個新界豁免管制屋宇, 我們計劃在地面一層 作為食肆(餐廳),沒車位提供,由錦田市街進入,每日營 運時間為:每天早上 10:00-晚上 19:00 包括公眾假期

我們生活創富有限公司打算在錦田市 18A 毗連的政府土地上申請規劃許可,用作臨時食肆(餐廳戶外座位區),為期三年,面積約為 26.65 平方米,如設計圖所示,我們會在這區域內放置大約 6 張餐桌及大約 12 個座位。

錦田市街有著輝煌的日子,它是錦田市的發源點,曾經 是一個熱鬧的市集。

我們承租了錦田市 18A 這個單位,有志給這相對沉寂的 小街添上一些活力。在合法及不影響街坊生活的前題下,我 們計劃營運一所餐廳,剛巧 18A 與兒童休憩處之間有這塊空 置的官地,平日裡雜草叢生,也有居民用以丟棄廢物,對附 近環境帶有一定影響。

自承租 18A 之後,我們已經盡力維護這空地的狀況,除了考慮生意上的需要外,也考慮到街道整體的美觀。

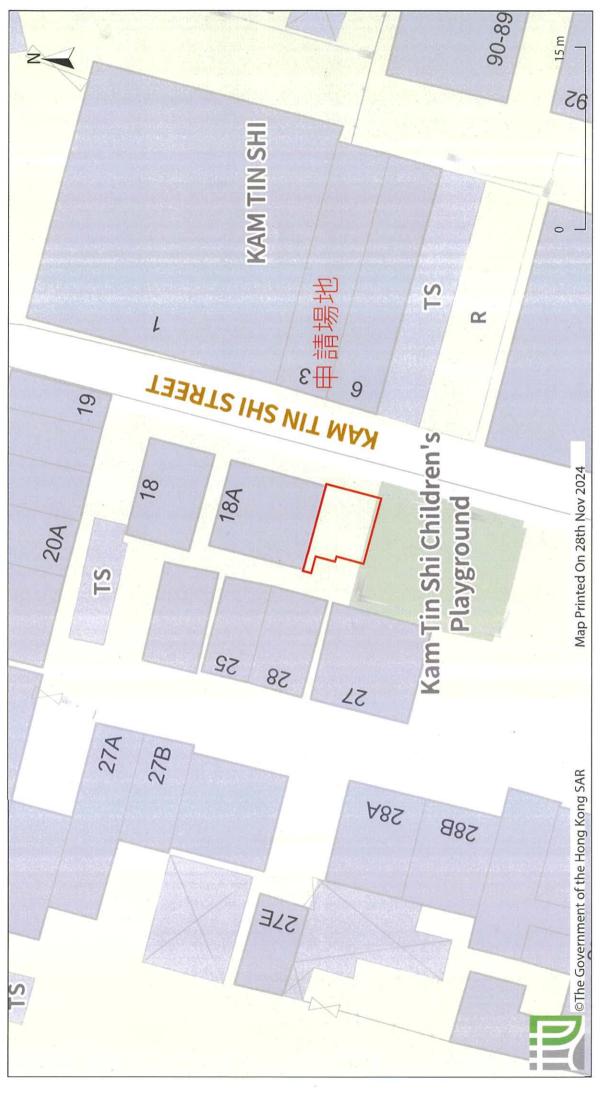

我們誠意在這小小的空地租下來,除了方便日後餐廳營運, 也能改善環境,讓遊客對錦田市街留下更美好的印象和回憶。

Relevant Extracts of Town Planning Board Guidelines for Application for Eating Place within "Village Type Development Zone" in Rural Areas under section 16 of the Town Planning Ordinance (TPB PG-No. 15A)

- 1. In June 2003, the Town Planning Board Guidelines for Application for Eating Place within "Village Type Development" Zone in Rural Areas under Section 16 of the Town Planning Ordinance (TPB PG-No. 15A) were promulgated. Extracts of the scope and application of the guidelines are set out as follows:
 - (a) The general planning intention of the "Village Type Development" ("V") zone in the rural New Territories is to demarcate both existing recognised villages and areas of land considered suitable for village expansion. It is the planning intention to concentrate village and related development within the "V" zone for a more orderly development pattern, economic and efficient use of land and provision of infrastructure and services. A selective range of uses including commercial, community and recreational uses may be permitted within this zone on application to the Town Planning Board (the Board) on the basis that these uses would serve the needs of villagers and would not adversely affect the character of villages.
 - (b) In view of the above planning intention, eating place use (such as restaurant and alfresco dining facility) in the "V" zone should be compatible with the surrounding land-uses and would not create any nuisance or cause inconvenience to the local residents. The development should not have adverse impacts on traffic, drainage, sewage disposal and fire safety aspects. In addition, it should not reduce the land area available for village type development. For sites located adjacent to recreational uses or tourist attraction spots, favourable consideration may be given if the above considerations are not compromised.
 - (c) Even if a proposal is considered acceptable in land-use planning terms and other planning criteria are met, under normal circumstances only a temporary approval for a maximum of three years should be considered so as to retain planning control on the development at the site and to cater for changing circumstances in future.
- 2. In assessing the applications, the main planning criteria are also summarised as follows:
 - (a) The eating place use should not create environmental nuisance or cause inconvenience to the residents nearby. Such use should preferably be located at the fringe of a village area, e.g. area abutting the main road. For any eating place use that is situated amidst the existing village houses, sympathetic consideration may only be given if there are no objections from local residents.
 - (b) The eating place use should not have any adverse traffic impact on its surrounding areas nor should it affect any pedestrian circulation in the area.
 - (c) Sympathetic consideration may also be given to any application which would not have adverse impacts on drainage, sewage disposal facilities or fire safety aspects.

- (d) For any application on open ground as an extension to ground floor eating place in a New Territories Exempted House or as a free-standing development, the eating place use should not adversely affect the land availability for village type development. Application sites with configurations/dimensions which are not suitable to be delineated separately for village type development or which are considered not suitable for village type development (e.g. within 20m of public roads constructed/maintained by the Highways Department or 15m of other local public roads), sympathetic consideration may be given by the Board on individual merits.
- (e) For a village located adjacent to recreational uses or tourist attraction spots, favourable consideration may be given to eating place use which will provide catering facilities to serve the visitors and tourists. In such circumstances, adequate car-parking spaces should be provided to serve the eating place use as required by the Transport Department. If it is impossible to provide car-parking spaces at the application site, the applicant should demonstrate that there are adequate carparking facilities conveniently located in the vicinity to serve the eating place use.
- (f) All other statutory or non-statutory requirements of relevant Government departments should be met.

 - the applicant is required to obtain approval from the Director of Food and Environmental Hygiene before commencement. The Food and Environmental Hygiene Department (FEHD) is the focal point to receive and process outside seating accommodation (OSA) applications. FEHD will refer applications involving the issue of appropriate land document to his department. However, there is no guarantee at this stage that the OSA Land License would be approved. - (b) to note the comments of the Commissioner for Transport that:
 - the application site (the Site) is connected to the public road network via a section of a local access road which is not managed by the Transport Department. The land status of the local access road should be checked with the LandsD. Moreover, the management and maintenance responsibilities of the local access road should be clarified with the relevant lands and maintenance authorities accordingly;
- (c) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department (HyD) that:
 - HyD shall not be responsible for the maintenance of proposed access connecting the Site (i.e. Kam Tin Shi Street and the local access road), Kam Tin Shi Street is not maintained by HyD; and
