Previous s.16 Application covering the Application Site

Rejected Application

	<u>Application No.</u>	<u>Proposed Use(s)</u>	<u>Date of Consideration (RNTPC)</u>	<u>Rejection Reasons</u>
1	A/YL-KTN/765	Proposed Two Houses (New Territories Exempted Houses)	11.6.2021	(1), (2)

Rejection Reasons

- (1) the proposed development is not in line with the planning intention of the “AGR” zone which is primarily to retain and safeguard good quality agricultural land/farm/fish ponds for agricultural purposes. It is also intended to retain fallow arable land with good potential for rehabilitation for cultivation and other agricultural purposes. There is no strong planning justification in the submission for a departure from the planning intention.
- (2) approving the application would set an undesirable precedent that may lead to the spread of non-Small House NTEH development in the “AGR” zone.

Dear TPB Members,

A/YL-KTN/809 Animal Boarding Establishment / 5 Years / **Filling of Land** / 3 Vehicle Parking

Dear TPB Members,

In other words 'Destroy to Build' as most of the site would be concreted over. This is contrary to the rejection of 765.

the proposed development is not in line with the planning intention of the "Agriculture" ("AGR") zone which is primarily to retain and safeguard good quality agricultural land/farm/fish ponds for agricultural purposes. It is also intended to retain fallow arable land with good potential for rehabilitation for cultivation and other agricultural purposes. **There is no strong planning justification in the submission for a departure from the planning intention**

Members should reject this attempt to get around the previous TPB decision.

Subject: A/YL-KTN/765 DD 110 Tai Kong Po Tsuen

A/YL-KTN/765
Lot 71 RP in D.D. 110, Tai Kong Po Tsuen, Pat Heung
Site area : About 880sq.m
Zoning : "Agriculture"
Applied development : 2 Net Houses

Dear TPB Members,

According to previous minutes "there was no "Village Type Development" zone for Tai Kong Po"?? However another application says

"Land available within the "Village Type Development" ("V") zone of Tai Kong Po Tsuen is sufficient to meet the 65 outstanding Small House applications (2019)"

The lot is well outside the VTD Zone and there is the issue of septic tank. In addition the footprint is much greater than that of a Small House.

Members must question the anomalies. If there is no V zone then there is no Ding right.

Dear Sir/ Madam,

**Proposed Temporary Animal Boarding Establishment with Ancillary Facilities for a
Period of 5 Years and Filling of Land
(A/YL-KTN/809)**

1. We refer to the captioned.
2. We object to this application as we are concerned that the proposal would affect the arability of the application site, which is under the Agriculture (AGR) zone. Based on our on-site observation in January 2022, the site is still largely covered with soil and vegetation (**Figure 1**); we consider the site is still in general available for genuine cultivation. We urge the Board to reject this application as the proposed use is unlikely to be in line with the planning intention of the AGR zone.
3. Thank you for your attention.

Advisory clauses

- (a) note DLO/YL, LandsD's comments that the Site comprises an Old Scheduled Agricultural Lot held under the Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government. The lot owner(s) will need to apply to his office to permit the structure(s) to be erected or regularize any irregularities on site, if any. Besides, given the proposed use is temporary in nature, only application for regularization or erection of temporary structure(s) will be considered. Applications for any of the above will be considered by LandsD acting in the capacity as the landlord or lessor at its sole discretion and there is no guarantee that such application(s) will be approved. If such application(s) is approved, it will be subject to such terms and conditions, including among others the payment of rent or fee, as may be imposed by the LandsD;
- (b) note C for T's comments that the Site is connected to the public road network via a section of a local access road which is not managed by Transport Department. The land status of the local access road should be checked with the LandsD. Moreover, the management and maintenance responsibilities of the local access road should be clarified with the relevant lands and maintenance authorities accordingly;
- (c) note CHE/NTW, HyD's comments that HyD shall not be responsible for the maintenance of any access connecting the Site and Kong Po Road. Adequate drainage measures should be provided to prevent surface water running from the Site to the nearby public roads and drains;

- (g) note CBS/NTW, BD's comments that for UBW erected on leased land, enforcement action may be taken by BD to effect their removal in accordance with the prevailing enforcement policy against UBW as and when necessary.
