10. Justifications 理由

The applicant is invited to provide justifications in support of the application. Use separate sheets if necessary..
現請申請人提供申請理由及支持其申請的資料。如有需要，請另頁說明。

Background

The applicant seeks to use Lot 173 RP (Part) in D.D. 109 (the Site) for 'Proposed Temporary Shop and Services with Ancillary Office for a Period of 5 Years' (Plan 1). The applicant would like to operate a new vehicle showroom at the Site to serve the nearby locals, i.e. residents of Kam Tin.

Planning Context

The Site falls within an area zoned "Village Type Development" ("V") on the Approved Kam Tin North Outline Zoning Plan No.: S/YL-KTN/9 (Plan 2). According to the Notes of the OZP, 'Shop and Services' is column two use within the "V" zone, which requires permission from the Town Planning Board (the Board).

As the applied use intends to support the daily lives of nearby residents and the application is only on a temporary basis, it will not frustrate the long term planning intention of the "V" zone. The building form and height of the proposed structures are insignificant, hence, it is considered not incompatible with the surrounding environment which dominated by New Territories Exempted Houses.

Development Proposal

The Site occupied an area of 775 sq.m (about)(Plan 3). Two structures are proposed at the Site for shop and services (vehicle showroom), office and washroom with total GFA of 72 sq.m (about)(Plan 4). The operation hours are 09:00 - 21:00 daily (including public holiday). The estimated number of staff working at the Site is 4. It is estimated that the Site would accommodate maximum of 10 visitors per day.

New and used vehicles (i.e. private car and light goods vehicle) for sale are displayed at area designated for displaying of vehicle for sale of the Site (Plan 4). It is estimated that the Site would be able to accommodate approximately 7 vehicles for sale. Vehicles without valid license are displayed at the Site and towing of vehicle would not be required as they are driven to the Site with trade license by staff. The office (structure B2) is to provide indoor working space for administrative and accounting staff to support the operation of the vehicle showroom, such as submission of vehicle licensing application for customers etc..

The Site is accessible from Chi Ho Road via a local access (Plan 1). 3 private car parking spaces are provided at the Site for visitor and staff (Plan 4). Sufficient space is provided for vehicle to smoothly manoeuvre within the Site to ensure no vehicle will queue back to or reverse onto/from the Site to the public road (Plan 5). No medium or heavy goods vehicles, including container tractor/trailer will be allowed to enter/exit the site at any time during the planning approval period. As trips generated and attracted by the proposed development are minimal, adverse traffic impact to the surrounding road network should not be anticipated (Appendix I).

The applicant will strictly follow the 'Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites' issued by Environmental Protection Department and statutory requirements under relevant pollution control ordinances to minimize adverse environmental impacts and nuisance to the surrounding area. The applicant will strictly follow the Professional Persons Environmental Consultative Committee Practice Notes (ProPECCPNs 5/93) for sewage treatment at the Site, i.e. the use of septic tank. Licensed collectors will be employed by the applicant to collect and dispose of sewage regularly to ensure no overflowing of sewage at the Site.

Conclusion

The proposed development will not create significant adverse traffic, environmental, landscape and drainage impacts to the surrounding areas. Adequate mitigation measures will be provided, i.e. submission of landscape, drainage and fire service installations proposals to mitigate any adverse impact arising from the proposed development after planning approval has been obtained from the Board.

In view of the above, the Board is hereby respectfully requested to approve the subject application for 'Proposed Temporary Shop and Services with Ancillary Office for a Period of 5 Years'.
