Subject: Apply to defer the application A/YL-KTS/1003

Dear Sir:

Subject:: Apply to Defer to the application A/YL-KTS/1003

I received comments from three different departments on the subject.

As the comments from various departments are quite complicated, I need more time to prepare the necessary details.

Please defer the subject application for two months.

Grateful for your approvals.

Yours faithfully,

WU CHUK ON
