7. Justifications 理由

The applicant is invited to provide justifications in support of the application. Use separate sheets if necessary.
現請申請人提供申請理由及支持其中請的資料。如有需要，請另頁說明。

Background

The applicant seeks to use Lots 1878 RP (Part) and 1879 RP (Part) in D.D. 106, Pat Heung, Yuen Long, New Territories (the Site) for 'Temporary Shop and Services for a Period of 3 Years' (proposed development) (Plan P01). The applicant would like to use the Site to operate a shop and services (real estate agency) to serve nearby local (Plan P04).

Planning Context

The Site falls within an area zoned as "Residential (Group C)1" ("R(C)1") on the Approved Kam Tin South Outline Zoning Plan No.: SYL-KTS/15 (Plan P02). According to the Notes of the OZP, the proposed use is a column 2 use within the "R(C)1" zone, which requires permission from the Board. Since the application is only on a temporary basis, it will not jeopardize the long term planning intention of the "R(C)1" zone. Similar applications (shop and services) have been approved by the Board along Pat Heung Road, approval of the current application will not set undesirable precedent.

Development Proposal

The Site is accessible from Pat Heung Road via a local access (Plan P01). The operation hours of the proposed development are 09:00 - 18:00 daily, including public holiday. The estimated maximum number of visitor per day are 10. The estimated number of staff working at the Site is 4.

The Site occupied an area of 213 sq.m (about) of private land (Plan P03). One structure is proposed at the Site for shop and services, storage of document and office with total GFA of 136 sq.m (about)(Plan P04). No car parking space is provided at the Site.

The applicant will strictly follow the 'Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites' by the EPD to minimize all possible environmental impacts on the nearby sensitive receivers. The applicant will follow the Professional Persons Environmental Consultative Committee Practice Notes (ProPECCPNs) for sewage treatment at the Site.

Conclusion

The proposed development will not create significant adverse traffic, environmental, landscape and drainage impacts to the surrounding areas. Adequate mitigation measures, i.e. submission of drainage, landscape and FSLs proposals will be provided to minimize nuisance to the existing environment after planning approval has been granted by the Board.

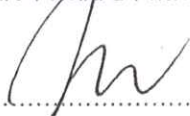

In view of the above, the Board is hereby respectfully requested to approve the subject application for 'Proposed Temporary Shop and Services for a Period of 3 Years'.

Lots 1878 RP (Part) and 1879 RP (Part) in D.D. 106, Pat Heung-Kam Sheung junction, Kam Tin

Site area : About 213sq.m

Zoning : " Res (Group C)1"

Applied use : Shop and Services / ??? Parking

Dear TPB Members,

Strong objections, there is no indication as to how many trees and vegetation are to be cleared.

The site borders Pat Heung Road and serves as a buffer between the residential developments and a very busy and noisy junction. No parking provided but the 'shop' is not with the residential core. No indication as to what would be sold there.

This appears to be a 'Destroy to Build' application.
