2. While we understand that the Drainage Services Department (DSD) needs further submission made from our client, we do think therefore that our client would need some more time to make another satisfactory submission to the DSD and we now act on behalf of our client to apply for a deferral from the Town Planning Board (TPB) decision for further two months.
3. Thank you for your kind attention and we look forward to hearing a reply from your soon.

Your faithfully,
For and on behalf of
