主旨: Departmental Comments for s.16 Planning Application A/YL-LFS/523  
  
類別: Internet Email

Dear Town Planning Board,

We would address the comments from TPB that the required supplementary information for the S-16 application is not yet complete.

However, an extra time of the required supplementary information for applicant is necessary to be prepared.

In order to smooth the progress of application, we would wish to postpone the planning application by two months for preparation of the relevant information.

Best Regards,

Manfred
