主旨: Departmental Comments for s.16 Planning Application A/YL-LFS/523 (CLP Project Ref:
TM2021-0801)
類別: Internet Email

Dear Town Planning Board,

We would address the department comments from PD.

However, an extra time of deferment of the application to prepare further information in response to the departmental comments is necessary to be prepared.

In order to smooth the progress of application, we would wish to postpone the planning application by two months for preparation of the relevant information.

***Best Regards,
Manfred***
