Subject: RE: Deferral request of comments response for Planning Application A/YL-MP/332

Planning Application No. A/YL-MP/332

Dear Sir/Madam,

We would have addressed the comments from DPO & EPD as attached response documents and are preparing the assessment of ecological to AFCD. However, an extra time of assessment of ecological impact is necessary to be prepared. In order to smooth the progress of application, we would like to postpone the planning application by two months for preparation of the relevant information.

Thank you for your kind attention.

Best Regards,
Bob Chiu
