APPLICATION NO. A/YL-MP/339
(for 2nd Deferment)

Applicant : CLP Power Hong Kong Limited represented by Pacific Extend Limited

Site : Government Land in D.D. 101, Mai Po San Tsuen, Mai Po, Yuen Long

Site Area : About 17.6 m²

Land Status : Government Land

Plan : Approved Mai Po & Fairview Park Outline Zoning Plan (OZP) No. S/YL-MP/6

Zoning : “Conservation Area” (“CA”)

Application : Proposed Public Utility Installation (Low Voltage Underground Cable) and associated Excavation and Filling of Land

1. Background

- 1.1 On 21.3.2023, the applicant submitted the current application to seek planning permission for proposed utility installation (low voltage underground cable) and associated excavation and filling of land at the subject site (**Plan A-1**).
- 1.2 On 19.5.2023, the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) agreed to defer a decision on the application, as requested by the applicant, for two months to allow time for the applicant to prepare further information to address departmental comments.

2. Request for Deferment

On 18.7.2023, the applicant’s representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months so as to allow time for preparation of further information to address departmental comments (**Appendix I**).

3. Planning Department's Views

- 3.1 The Planning Department has no objection to the request for the second deferment as the justifications for deferment meets the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33A) in that the deferment would allow the applicant to prepare further information to address outstanding issue(s).
- 3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicant. If the further information submitted by the applicant is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed a total of four months for preparation of the submission of further information. The second deferment should be the last deferment and no further deferment would be granted unless under very special circumstances and supported with strong justifications.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
