主旨: Departmental Comments for s.16 Planning Application A/YL-NSW/329  
(YL-210401)

Dear Town Planning Board,

We would address the comments from DPO & EPD and to prepare the ecological assessment report to AFCD.

However, an extra time of assessment of ecological impact is necessary to be prepared. In order to smooth the progress of application, we would wish to postpone the planning application by two months for preparation of the relevant information.

Best Regards,

Manfred
