Dear Mr. Mo,

Re : s.16 Application No. A/YL-PH/988

In recently, we have received departmental comments from Lands Department and Transport Department that we are required to provide further information and documents.

As time is limited, we cannot submit the relevant documents in these few days. So, we are writing to request a document submission deferral for 2 months.

We would well prepare all the required documents listed in the letter and will submit to you again once they are available.

Should you have any query, please feel free to contact us.

Thank you very much for your help!

Yours faithfully,
