Dear TPB Members,

75 withdrawn, back with slightly reduced footprint. Previous objections upheld.

Members should check the plans as the flats to not appear to have bathrooms or kitchen units?

Septic tanks on CPA are also a NO NO as they are rarely properly maintained and can contaminate the local terrain.

Application should be rejected.

Dear TPB Members,

With ref to "No redevelopment, including alteration and/or modification, of an existing house shall result in a total redevelopment in excess of the plot ratio, site coverage and height of the house which was in existence on the date of the first publication in the Gazette of the notice of the interim/draft* development permission area plan."

Recommended Advisory Clauses

- (a) to note the comments of the District Lands Officer/Yuen Long, Lands Department (DLO/YL, LandsD) that:
 - (i) the lot held under New Grant No. 2648 was granted on 22.3.1978 for building purpose with an area of about 65.04m² (or 700 ft²), 3 storeys and 7.62m in height; and
 - (ii) should redevelopment application is received and due for processing, DLO/YL will consider the redevelopment application acting in the capacity as the landlord at its sole discretion. Any redevelopment application, if approved, would be subject to such terms and conditions including, among others, the payment of premium and/or administrative fees as may be imposed by LandsD;
- (b) to note the comments of the Director of Environmental Protection (DEP) that septic tank and soakaway system is an acceptable means for collection, treatment and disposal of the sewage provided that its design and construction follow the requirements of the ProPECC PN 1/23 “Drainage Plans subject to Comment by the Environmental Protection Department – Building (Standards of Sanitary Fitments, Plumbing, Drainage Works and Latrines) Regulations” and are duly certified by an Authorized Person (AP);
- (c) to note the comments of the Director of Fire Services that detailed fire services requirements will be formulated upon receipt of formal submission of Short Term Tenancy / Short Term Waiver, general building plans or referral of application via relevant licensing authority as appropriate;
- (d) to note the comments of the Commissioner for Transport (C for T) that the local track leading to the Site is not under Transport Department’s purview. The applicant shall obtain consent of the owners/managing departments of the local track for using it as the vehicular access to the Site;
- (e) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department (CHE/NTW, HyD) that adequate drainage measures shall be provided to prevent surface water running from the Site to the nearby public roads and drains. The access road connecting the Site with Nim Wan Road is not and will not be maintained by HyD. HyD should not be responsible for maintaining any access connecting the Site with Nim Wan Road; and
- (f) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department (CBS/NTW, BD) that:
 - (i) site formation works are building works under the control of the Buildings Ordinance (BO). Before the proposed filling of land is to be carried out on the application site, the prior approval and consent of the Building Authority (BA) should be obtained, otherwise they are unauthorized building works. An AP should be appointed as the coordinator for the proposed site formation in accordance with the BO; and
 - (ii) notwithstanding paragraph (i) above, the Director of Lands may issue a certificate of exemption from prior approval and consent of the BA in respect of site formation works in the New Territories under the Buildings Ordinance

(Application to the New Territories) Ordinance. The applicant may approach DLO/YL, LandsD or seek AP's advice for details.
