Dear Sir/ Madam,

**Proposed Temporary Animal Boarding Establishment (Cattery) for a Period of 3  
Years and Associated Filling of Land  
(A/YL-TT/699)**

1. We refer to the captioned.
2. The government proposed to designate 37 sites as Agricultural Priority Areas (APAs) in early December 2024<sup>1</sup>. One of these proposed APAs is located at Tai Tong<sup>2</sup>. According to the relevant government document<sup>3</sup>, the objectives of this APA policy are as follows:
  - *To promote the overall sustainable development and industrial diversification of the local agriculture industry, the Government proposed to delineate some quality farmland as Agricultural Priority Areas (APAs) through administrative means to achieve the policy objective of putting the relevant land into active agricultural use, and to roll out support measures to facilitate long-term active farming use for APAs.*
3. The document<sup>3</sup> also states:
  - *To implement the proposal on APAs, the Government plans to promulgate a "Policy*

*Statement” to set out, through administrative means, its policy objective of delineating APAs to preserve quality farmland for long-term agricultural development and their relevant locations. This serves to inform the public of the Government’s policy to prioritise agriculture use on the relevant land, and provide a guiding direction for the Government and the private sector on the future planning of the relevant land use.*

4. We urge the Board to investigate with relevant authorities as to whether the current application site is largely within one of the proposed APAs (e.g., Tai Tong); if yes, we urge the Board to consider, after consulting relevant authorities, as to whether it is appropriate to approve this application.

5. We urge the Board to consider whether the approval of this application would affect the APA policy proposed by the government (e.g., if this application is approved eventually, what kind of message will be sent to the public regarding this government policy?).

6. Regarding Animal Boarding Establishment, we also recommend the Board to read a newspaper article <sup>(at 4)</sup>.

7. We urge the Board to reject this application as we consider the proposed use is not in line with the planning intention of the Agriculture zone.

8. Thank you for your attention.

Site area: About 730sq.m

Zoning: "Agriculture"

Applied use: Animal Boarding Establishment (Cattery) / 1 Vehicle Parking / **Filling of Land**

Dear TPB Members,

Strong Objections. No previous history of approvals.

No data provided on the amount of land to be filled in but the plans indicated that it is the entire site.

No information re how many cats to be housed and no justification for filling in so much land to accommodate such small animals. The site is quite remote, demand for cat boarding is in urban districts close to residences.

What experience does the applicant have in animal husbandry?

The application appears to be the usual fake ABE route to fill in the land for brownfield operation.

The application should be rejected.
