Rejected Applications

	<u>Application No.</u>	<u>Proposed Use(s)</u>	<u>Date of Consideration (RNTPC/TPB)</u>	<u>Rejection Reason(s)</u>
1	A/YL-TYST/525	Temporary Warehouse for Storage of Construction Materials (including Wooden Boards, Metal Goods and Ceramic Tiles) and Advertising Boards for a Period of 3 Years	18.3.2011	(1), (2), (3)
2	A/YL-TYST/586	Proposed Temporary Warehouse for Storage of Construction Materials (including Ceramic Tiles) for a Period of 2 Years	16.11.2012 (on review)	(1), (2), (3)
3	A/YL-TYST/1091	Proposed Temporary Shop and Services for a Period of 3 Years	28.5.2021	(4)

Rejection Reasons:

- (1) Not in line with the planning intention of the “R(C)” zone. No strong justification has been given in the submission for a departure from the planning intention, even on a temporary basis.
- (2) The development would generate adverse environmental/traffic impact on the residential uses to the immediate east and southeast and in the vicinity of the site.
- (3) The vehicular access to the site is inadequate for the passage of heavy goods vehicles.
- (4) Three previous planning permissions granted on the Site by the Board for the same applied use were revoked due to non-compliance of the approval conditions, which were all submitted by the same applicant as the current application. Approval of the application with repeated non-compliance with approval conditions would set an undesirable precedent for other similar applications, thus nullifying the statutory planning control mechanism.

Dear TPB Members,

This application fits neatly into the Stephen King quote "Fool me once, shame on you. Fool me twice, shame on me. Fool me three times, shame on both of us."

This time it claims to be for an 'Indoor Recreation Centre' in 2 structures with a total floor area of about 456m² and height of not more than 9m. Badminton courts in the middle of nowhere?????

Application 1091 was rejected :

PlanD :Nevertheless, the **proposed scale of the structure was akin to a warehouse and was considered not compatible with the intended low-rise, low-density residential uses in the "R(C)" zone**. The site was the subject of three previously approved applications for similar shop and services uses submitted by the same applicant with the same layout and development parameters as the current application, which were all revoked due to non-compliance with time-limited approval conditions. No justifications had been provided in the current submission to substantiate the prolonged delay and repeated failure in implementation of the fire service installations proposal. Approval of the current application with repeated non-compliance with approval conditions would set an undesirable precedent for other similar applications, thus nullifying the statutory planning control mechanism.

Members should question if the applied use is any more genuine than the previous 'shop' use.

Dear TPB Members,

May 2018 Minutes are misleading

PlanD Two previous approvals (No. A/YL-TYST/620 and 714) for same grocery store use with/without eating place had been granted to the Site and seven similar applications had been approved in the same "R(C)" zone. Approval of the current application was in line with the Committee's previous decision. Regarding the adverse public comments, the comments of government departments and planning assessments above were relevant. **NO MENTION THAT BOTH HAD BEEN REVOKED**

NINE extensions of time were granted on 873, indicating that conditions were not fulfilled.

Members asked no questions in 2018, perhaps they should this time around.

We are in the middle of a health crisis, This is store selling foodstuffs, etc. What conditions are not being met? Are there hand washing facilities for staff, for example?

You have a responsibility to inquire into such matters.

Applied Use :Grocery Store

Dear TPB Members,

Happy New Year.

This site has a history of revocations, the most recent on 6 Nov 2016 for failure to comply with fire service installation.

However it has obviously continue in operation.

Approval would set an undesirable precedent of encouraging repeated flaunting of regulations.

Advisory Clauses

- (a) to resolve any land issues relating to the development with the concerned owner(s) of the application site (the Site);
- (b) the planning permission is given to the development/uses under application. It does not condone any other development/use (i.e. warehouse use) which currently exists on the Site but not covered by the application. Immediate action should be taken to discontinue such development/use not covered by the permission;
- (c) to note the comments of the District Lands Officer/Yuen Long, Lands Department that the Site comprises Old Schedule Agricultural Lots held under the Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government. Lot No. 1279 S.A in D.D. 119 is covered by Short Term Waiver (STW) No. 3724 to permit structures erected thereon for the purpose of “Eating Place and Shop (Grocery Store)”. Lot No. 1298 in D.D. 119 is covered by STW No. 3599 to permit structures erected thereon for the purpose of “Temporary Warehouse for Storage of Building Materials (Ceramic Tiles)”. The STW holder(s) will need to apply to her office for modification of the STW conditions where appropriate and the lot owner(s) of the lot(s) without STW will need to apply to her office to permit the structures to be erected or regularise any irregularities on site, if any. Besides, given the proposed use is temporary in nature, only application for regularisation or erection of temporary structure(s) will be considered. Applications for any of the above will be considered by her department acting in the capacity of the landlord or lessor at its sole discretion and there is no guarantee that such application will be approved. If such application is approved, it will be subject to such terms and conditions, including among others the payment of rent or fee, as may be imposed by her department;
- (d) to note the comments of the Commissioner for Transport that the land status of the access road/path/track leading to the Site from Kung Um Road shall be checked with the lands authority. The management and maintenance responsibilities of the access road/path/track shall be clarified with the relevant management and maintenance authorities. Sufficient space should be provided within the Site for manoeuvring of vehicles. No parking, queueing and reverse movement of vehicles on public road are allowed;
- (e) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department that adequate drainage measures should be provided at the site access to prevent surface water flowing from the Site to nearby public roads/drains. His department shall not be responsible for the maintenance of any access connecting the Site and Kung Um Road;
- (f) to note the comments of the Director of Environmental Protection that the relevant mitigation measures and requirements in the latest “Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites” issued by the Environmental Protection Department should be followed to minimise any environmental nuisance on the surrounding areas;
- (g) to note the comments of the Director of Fire Services that in consideration of the design/nature of the proposal, fire service installations (FSIs) are anticipated to be required. Relevant layout plans incorporated with the proposed FSIs should be submitted to his department for approval. The layout plans should be drawn to scale and depicted with dimensions and nature of occupancy. The location of where the proposed FSIs to be installed should also be clearly marked on the layout plans. If the proposed structure(s) is required to comply with the Buildings Ordinance (BO)(Cap. 123), detailed fire service requirements will

be formulated upon receipt of formal submission of general building plans; and

- (h) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department (BD) that if the existing structures (not being a New Territories Exempted Houses) are erected on leased land without the approval of the Building Authority (BA), they are unauthorised building works (UBW) under the BO and should not be designated for any proposed use under the application. For UBW erected on leased land, enforcement action may be taken by BD to effect their removal in accordance with the prevailing enforcement policy against UBW as and when necessary. The granting of any planning approval should not be construed as an acceptance of any existing building works or UBW on the Site under the BO. Before any new building works (including containers/open sheds as temporary buildings, demolition and land filling, etc.) are to be carried out on the Site, prior approval and consent of BA should be obtained, otherwise they are UBW. An Authorised Person should be appointed as the co-ordinator for the proposed building works in accordance with the BO. The Site shall be provided with means of obtaining access thereto from a street and emergency vehicular access in accordance with Regulations 5 and 41D of the Building (Planning) Regulations (B(P)R) respectively. The Site does not abut on a specified street of not less than 4.5 m wide and its permitted development intensity shall be determined under Regulation 19(3) of B(P)R at the building plan submission stage. Any temporary shelters or converted containers for office, storage, washroom or other uses are considered as temporary buildings are subject to the control of Part VII of the B(P)R.
