Proposed Temporary Warehouse for Storage of Exhibition Materials for a Period of 3 Years
at
Lot 1495(Part) in D.D. 119 & Adjoining Government Land, Kung Um Road, Yuen Long, N.T.

Annex 1 Estimated Traffic Generation

- 1.1 The application site is abutting Kung Um Road. Having mentioned that the site is intended for warehouse for storage of exhibition materials which is static in nature, traffic generated by the proposed development is extremely insignificant.
- 1.2 The estimated average traffic generation and traffic generation rate at peak hours are as follow:

Type of Vehicle	<u>Average Traffic Generation Rate</u> (pcu/hr)	<u>Average Traffic Attraction Rate</u> (pcu/hr)	<u>Traffic Generation Rate at Peak Hours</u> (pcu/hr)	<u>Traffic Attraction Rate at Peak Hours</u> (pcu/hr)
LGV or MGW not exceeding 24 tonnes	0.25	0.25	0	0

Note 1: The opening hour of the proposed development is restricted to 9:00 a.m. to 5:00 p.m. from Mondays to Saturdays. No operation will be held on Sundays and public holidays.

Note 2: The pcu of light/medium goods vehicle not exceeding 24 tonnes is taken as 2.

Note 3: Morning peak is defined as 7:00a.m. to 9:00a.m. whereas afternoon peak is defined as 5:00p.m. to 7:00p.m.

- 1.3 As shown in the above estimation, it is estimated that the proposed development would not generate significant amount of traffic especially that the site is occupied for storage use since 1996. It would not affect the traffic condition of Kung Um Road.
- 1.4 In association with the intended purpose, adequate space for manoeuvring of vehicle would be provided within the application site and queueing up of traffic would not be the result especially that the traffic generated is insignificant. The negligible increase in traffic would not aggravate the traffic condition of Kung Um Road and nearby road networks.

Government Departments' General Comments

1. Land Administration

Comments of the District Lands Officer/Yuen Long, Lands Department (DLO/YL, LandsD):

No adverse comment on the application.

2. Traffic

(a) Comments of the Commissioner for Transport (C for T):

No adverse comment from traffic engineering perspective for the application.

(b) Comments of the Chief Highway Engineer/New Territories West, Highways Department (CHE/NTW, HyD):

No adverse comment on the application.

3. Drainage

Comments of the Chief Engineer/Mainland North, Drainage Services Department (CE/MN, DSD):

- no objection in principle to the proposed development;
- based on the planning statement enclosed in the application, apparently the applicant would maintain the same drainage facilities as those implemented under previous planning application No. A/YL-TYST/1055; and
- should the Town Planning Board (the Board) consider that the application is acceptable from the planning point of view, approval conditions requiring the maintenance of the drainage facilities implemented under application No. A/YL-TYST/1055 and the submission of records of the existing drainage facilities on site to the satisfaction of the Director of Drainage Services or of the Board should be stipulated.

4. Fire Safety

Comments of the Director of Fire Services (D of FS):

No objection in principle to the proposal subject to fire service installations being provided to his satisfaction.

5. Building Matters

Comments of the Chief Building Surveyor/New Territories West, Buildings Department (CBS/NTW, BD):

- no objection to the application; and

- as there is no record of approval granted by the Building Authority for the existing structure at the Site, he is not in a position to offer comments on its suitability for the use proposed in the application.

6. Open Space

Comments of the Director of Leisure and Cultural Services (DLCS):

- no in-principle objection to the proposal; and
- his department has no plan to develop the Site into public open space in upcoming three years.

7. Long-Term Development

(a) Comments of the Chief Engineer/Cross-Boundary Infrastructure and Development, Planning Department (CE/CID, PlanD):

- the Civil Engineering and Development Department (CEDD) and PlanD jointly commissioned the “Planning and Engineering Study for Housing Sites in Yuen Long South (YLS) – Investigation”. According to the Revised Recommended Outline Development Plan of YLS promulgated in May 2020, the majority of the Site falls within an area zoned “District Open Space”, and a minor portion within an area partly zoned “Residential – Zone 1 (Subsidised Sale Flats with Commercial)” and partly within an area shown as ‘Road’; and
- the objective of YLS development is to transform the degraded rural land predominantly occupied by brownfield operations including open storage yards, warehouse and rural industrial uses into housing and other uses with supporting infrastructure and community facilities, and to improve the existing environment. It is noted that the application is for temporary use for a period of three years. In considering the application for temporary uses, due consideration should be given on the possible implication on land clearance which would affect the future implementation of YLS.

(b) Comments of the Project Manager (West), CEDD (PM(W), CEDD):

No objection to the application.

8. District Officer’s Comments

Comments of the District Officer (Yuen Long), Home Affairs Department (DO(YL), HAD):

His office has not received any comment from the village representatives in the vicinity regarding the application.

9. Other Departments

- Chief Engineer/Construction, Water Supplies Department (CE/C, WSD) and Commissioner of Police (C of P) have no comment on the application.

Recommended Advisory Clauses

- (a) to resolve any land issues relating to the development with the concerned owner(s) of the application site (the Site);
- (b) to note that the Site might be resumed at any time during the planning approval for implementation of government projects;
- (c) prior planning permission should have been obtained before commencing the applied use at the Site;
- (d) to note the comments of the District Lands Officer/Yuen Long, Lands Department (DLO/YL, LandsD) that:
 - (i) the Site comprises Government Land (GL) and Old Schedule Agricultural Lot 1495 in D.D. 119 held under the Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government;
 - (ii) the private lot and the majority portion of GL in the Site are covered by Short Term Waivers (STW) No. 4365 and Short Term Tenancy (STT) No. 2937 for the purpose of “Temporary Warehouse for Storage of Exhibition Materials”;
 - (iii) the STT and STW holders will need to apply to his office for modification of the STT and STW conditions where appropriate. The application for STT and STW will be considered by the Government in its capacity as a landlord and there is no guarantee that they will be approved. The STT and STW, if approved, will be subject to such terms and conditions including the payment of waiver fee/rent and administrative fee as considered appropriate by his department. Besides, given the proposed use is temporary in nature, only erection of temporary structure(s) will be considered.; and
 - (iv) the programme of Yuen Long South (YLS) Development should be taken into account when drawing up the STW and STT boundary and layout of structures to be built on the Site. All STWs and STTs affected will have to be terminated upon land resumption and the site will be cleared in accordance with the Civil Engineering and Development Department’s (CEDD) scheduled programme;
- (e) to note the comments of the Commissioner for Transport (C for T) that:

sufficient manoeuvring space should be provided within the Site. No vehicles are allowed to queue back to public roads or reverse onto/from public roads;
- (f) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department (CHE/NTW, HyD) that:
 - (i) adequate drainage measures should be provided to prevent surface water running from the Site to the nearby public roads and drains; and
 - (ii) the access road connecting the Site with Kung Um Road is not and will not be maintained by his office. His office should not be responsible for maintaining any access connecting the Site with Kung Um Road;

- (g) to note the comments of the Director of Environmental Protection (DEP) that:

the relevant mitigation measures and requirements in the latest “Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites” should be followed to minimise any potential environmental nuisances on the surrounding area;

- (h) to note the comments of the Director of Fire Services (D of FS) that:

- (i) in consideration of the design/nature of the proposal, fire service installations (FSIs) are anticipated to be required. Relevant layout plans incorporated with the proposed FSIs should be submitted to his department for approval;
- (ii) the layout plans should be drawn to scale and depicted with dimensions and nature of occupancy, and the location of where the proposed FSIs to be installed should be clearly marked on the layout plans; and
- (iii) if the proposed structures are required to comply with the Buildings Ordinance (BO) (Cap. 123), detailed fire service requirements will be formulated upon receipt of formal submission of general building plans;

- (i) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department (CBS/NTW, BD) that:

- (i) the Site shall be provided with means of obtaining access thereto from a street and emergency vehicular access in accordance with Regulations 5 and 41D of the Building (Planning) Regulations (B(P)R) respectively;
- (ii) the Site abuts on a specified street (Kung Um Road) of not less than 4.5m wide. Its permitted development intensity shall be determined under Regulation 19(3) of the B(P)R at the building plan submission stage;
- (iii) if the existing structure is erected on leased land without the approval of the Building Authority (BA), they are unauthorised building works (UBW) under the BO and should not be designated for any proposed use under the application;
- (iv) for UBW erected on leased land, enforcement action may be taken by the BD to effect their removal in accordance with the prevailing enforcement policy against UBW as and when necessary. The granting of any planning approval should not be construed as an acceptance of any existing building works or UBW on the Site under the BO;
- (v) before any new building works (including containers/open sheds as temporary buildings, demolition and land filling, etc.) are to be carried out on the Site, prior approval and consent of the BA should be obtained, otherwise they are UBW under the BO. An Authorised Person should be appointed as the co-ordinator for the proposed building works in accordance with the BO;
- (vi) any temporary shelters or converted containers for office, storage, washroom or other uses considered as temporary buildings are subject to the control of Part VII of the B(P)R; and
- (vii) detailed checking under the BO will be carried out at building plan submission stage; and

- (j) to note the comments of the Project Manager (West), CEDD (PM(W), CEDD) that:

the Site falls within the boundary of YLS Development – Stage 2B. The land resumption and

clearance programme of the project is subject to Executive Council's authorisation on land resumption and Finance Committee's funding approval of the project. Land clearance operation is tentatively targeted to commence in 2024. The Site might be subject to land resumption for the implementation of the YLS Development – Stage 2B which might take place at any time before the expiry of the temporary planning permission and thus the applicant shall be advised not to carry out any substantial works on the Site in view of the planned YLS Development – Stage 2B.

Dear TPB Members,

1055 had TEN extensions of time and it is not clear if conditions were eventually fulfilled.

Members should question this before they roll over for another 6 years.

A/YL-TYST/1055

Lot 1495 (Part) in D.D. 119 and Adjoining Government Land, Kung Um Road, Yuen Long

Site area : About 1,890sq.m Includes Government Land of about 157sq.m Plan

Zoning : "Open Space" and "Res (Group A) 3"

Applied use : Warehouse / 1 Vehicle Parking

Dear TPB Members,

This site is close to Kung Um Road and in an area undergoing extensive rezoning in the Tong Yan OZP. The site is to be rezoned from 'Undetermined'

The plan is that operations like this would be amalgamated on "UNDETERMINED" to be rezoned as 'Storage and Workshop Use'. The applicant is clearly intended to lock in the current use for a further period.

Members must consider if approval would impact the development of the long overdue PH estates and supporting community facilities. The sooner the brownfield sites are tackled, the earlier the PH estates can be developed.
