Rejected Application

	<u>Application No.</u>	<u>Proposed Use(s)/Development(s)</u>	<u>Date of Consideration (RNTPC)</u>	<u>Rejection Reason</u>
1	A/YL-TYST/1082	Temporary Warehouse for Storage of Furniture with Ancillary Office for a Period of 3 Years	23.7.2021	(1)

Rejection Reason:

- (1) The application involves previously revoked planning permissions due to non-compliance with the approval conditions. Approval of the application with repeated non-compliances would set an undesirable precedent for other similar planning permissions for temporary uses, nullifying statutory planning control.

Government Departments' General Comments

1. Land Administration

Comments of the District Lands Officer/Yuen Long, Lands Department (DLO/YL, LandsD):

No adverse comment on the application.

2. Traffic

(a) Comments of the Commissioner for Transport (C for T):

No adverse comment on the application from traffic engineering perspective.

(b) Comments of the Chief Highway Engineer/New Territories West, Highways Department (CHE/NTW, HyD):

- no adverse comment on the application; and
- if the proposed vehicular access at Kung Um Road is approved by the Transport Department, the applicant should ensure that a run-in/out at Kung Um Road is constructed in accordance with the latest version of HyD Standard Drawings No. H1113 and H1114, or H5133, H5134 and H5135, whichever set is appropriate to match with the existing adjacent pavement.

3. Environment

Comments of the Director of Environmental Protection (DEP):

- no objection to the application; and
- no environmental complaint concerning the Site was received in the past three years.

4. Drainage

Comments of the Chief Engineer/Mainland North, Drainage Services Department (CE/MN, DSD):

- no in-principle objection to the development;
- based on the drainage proposal enclosed in the application, apparently the applicant would maintain the same drainage facilities as those implemented under previous planning application No. A/YL-TYST/1138; and
- should the application be approved by the Town Planning Board (the Board), approval conditions requiring the maintenance of the drainage facilities implemented under application No. A/YL-TYST/1138 and the submission of records of the existing drainage facilities on site to the satisfaction of the Director of Drainage Services or of the Board should be stipulated.

5. Fire Safety

Comments of the Director of Fire Services (D of FS):

No in-principle objection to the application subject to fire service installations being provided to his satisfaction.

6. Food and Environmental Hygiene

Comments of the Director of Food and Environmental Hygiene (DFEH):

No adverse comment on the application.

7. Building Matters

Comments of the Chief Building Surveyor/New Territories West, Buildings Department (CBS/NTW, BD):

- no objection to the application;
- as there is no record of approval granted by the Building Authority (BA) for the existing structures at the Site, he is not in a position to offer comments on their suitability for the use proposed in the application; and
- it is noted that three structures are proposed in the application. Before any new building works (including containers/ open sheds as temporary buildings, demolition and land filling, etc.) are to be carried out on the Site, prior approval and consent of the BA should be obtained, otherwise they are unauthorized building works under the Buildings Ordinance (BO). An Authorised Person should be appointed as the co-ordinator for the proposed building works in accordance with the BO.

8. Long Term Development

(a) Comments of the Chief Engineer/Cross-Boundary Infrastructure and Development, Planning Department (CE/CID, PlanD):

- the Civil Engineering and Development Department (CEDD) and PlanD jointly commissioned the “Planning and Engineering Study for Housing Sites in Yuen Long South (YLS) – Investigation”. According to the Revised Recommended Outline Development Plan of YLS promulgated in May 2020, the Site falls partly within an area zoned “Local Open Space” and partly within an area shown as ‘Road’; and
- the objective of YLS development is to transform the degraded rural land predominantly occupied by brownfield operations including open storage yards, warehouses and rural industrial uses into housing and other uses with supporting infrastructure and community facilities, and to improve the existing environment. It is noted that the application is for temporary use for a period of three years. In considering the application for temporary uses, due consideration should be given on the possible implication on land clearance which would affect the future implementation of YLS.

(b) Comments of the Project Manager (West) (PM(W)), CEDD:

No objection to the application.

9. District Officer's Comments

Comments of the District Officer (Yuen Long), Home Affairs Department (DO(YL), HAD):

His office has not received any comment from the village representatives in the vicinity regarding the application.

10. Other Departments

The following departments have no comment on/no objection to the application:

- Chief Engineer/Construction, Water Supplies Department (CE/C, WSD);
- Director of Electrical and Mechanical Services (DEMS); and
- Commissioner of Police (C of P).

Recommended Advisory Clauses

- (a) to resolve any land issues relating to the development with the concerned owner(s) of the application site (the Site);
- (b) prior planning permission should have been obtained before commencing the applied use at the Site;
- (c) to note that the Site might be resumed at any time during the planning approval for implementation of government projects;
- (d) to note the comments of the District Lands Officer/Yuen Long, Lands Department (DLO/YL, LandsD) that:
 - (i) the Site comprises Old Schedule Agricultural Lots 1220 RP and 1223 RP in D.D. 119 held under the Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government;
 - (ii) Lots 1220 RP and 1223 RP in D.D. 119 are covered by Short Term Waiver (STW) Nos. 4733 and 4734, whereas the Government land (GL) is covered by Short Term Tenancy (STT) No. 3091 for the purpose of “Temporary Warehouse for Storage of Non-Staple Food”;
 - (iii) the STT and STW holders will need to apply to his office for modification of the STT and STW conditions where appropriate. The application for STT and STW will be considered by the Government in its capacity as a landlord and there is no guarantee that they will be approved. The STT and STW, if approved, will be subject to such terms and conditions including the payment of waiver fee, rent and administrative fee as considered appropriate by his department. Besides, given the applied use is temporary in nature, only erection of temporary structure(s) will be considered; and
 - (iv) the programme of Yuen Long South (YLS) Development should be taken into account when drawing up the STW/STT boundary and layout of structures to be built on site. All STWs and STT affected will have to be terminated upon land resumption and the Site will be cleared in accordance with the Civil Engineering and Development Department (CEDD)’s scheduled programme;
- (e) to note the comments of the Commissioner for Transport (C for T) that:

sufficient manoeuvring space shall be provided within the Site. No vehicles are allowed to queue back to public roads or reverse onto/from public roads;
- (f) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department (CHE/NTW, HyD) that:
 - (i) adequate drainage measures shall be provided to prevent surface water running from the Site to the nearby public roads and drains; and
 - (ii) his office should not be responsible for maintaining any access connecting between the Site and Kung Um Road;

- (g) to note the comments of the Director of Environmental Protection (DEP) that:

the relevant mitigation measures and requirements in the latest “Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites” should be followed to minimise any potential environmental nuisances on the surrounding area;

- (h) to note the general comments of the Director of Fire Services (D of FS) and his technical comments on the submitted fire service installations (FSIs) proposal that:

- (i) the total floor area of each structure should be clearly stated on the FSIs proposal;
- (ii) the applicant should clarify whether warehouse 2 is an enclosed structure; and
- (iii) if the proposed structure(s) is required to comply with the Buildings Ordinance (BO) (Cap. 123), detailed fire services requirements will be formulated upon receipt of formal submission of general building plans;

- (i) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department (CBS/NTW, BD) that:

- (i) the Site shall be provided with means of obtaining access thereto from a street and emergency vehicular access in accordance with Regulations 5 and 41D of the Building (Planning) Regulations (B(P)R) respectively;
- (ii) the Site does not abut on a specified street of not less than 4.5m wide and its permitted development intensity shall be determined under Regulation 19(3) of the B(P)R at building plan submission stage;
- (iii) if the existing structures are erected on leased land without the approval of the Building Authority, they are unauthorized building works (UBW) under the BO and should not be designated for any proposed use under the application;
- (iv) for UBW erected on leased land, enforcement action may be taken by the BD to effect their removal in accordance with the prevailing enforcement policy against UBW as and when necessary. The granting of any planning approval should not be construed as an acceptance of any existing building works or UBW on the Site under the BO;
- (v) any temporary shelters or converted containers for office, storage, washroom or other uses considered as temporary buildings are subject to the control of Part VII of the B(P)R; and
- (vi) detailed checking under the BO will be carried out at building plan submission stage;

- (j) to note the comments of the Director of Food and Environmental Hygiene (DFEH) that:

- (i) no facilities of her department will be affected;
- (ii) proper licence/permit issued by her department is required if there is any catering service/activities regulated by her under the Public Health and Municipal Services Ordinance (Cap. 132) and other relevant legislation for the public. Under the Food Business Regulation, Cap. 132X, a food business licence is required for the operation of the relevant type of food businesses listed in the Regulation. For example, if a food business involves the storage of articles of food under refrigeration in any warehouse in the territory, a cold store licence must be obtained from her before commencement of such business. For the operation of other types of food business, relevant food licences

should also be obtained from her department in accordance with Cap. 132; and

- (iii) the operation must not cause any environmental nuisance to the surrounding. The refuse generated by the development are regarded as trade refuse. The management or owner of the Site is responsible for its removal and disposal at their expenses. The operation of any business should not cause any obstruction or environmental nuisance in the vicinity; and
- (k) to note the comments of the Project Manager (West) (PM(W)), CEDD that:
 - (i) the majority of the Site falls within the boundary of YLS Development Area – Second Phase Development. The land resumption and clearance programme of the project is subject to Executive Council’s authorisation on land resumption and Finance Committee’s funding approval of the project. Land clearance operation is tentatively targeted to commence within 2025. The Site might be subject to land resumption for the implementation of the YLS Development Area – Second Phase Development which might take place at any time before the expiry of the temporary planning permission and thus the applicant shall be advised not to carry out any substantial works on the Site in view of the planned YLS Development Area – Second Phase Development; and
 - (ii) based on the preliminary project boundary of the proposed YLS Development Area, the remaining part of the Site falls within the boundary of the proposed YLS Development Area – Third Phase Development. The YLS Development would provide land to meet the medium to long term housing needs of Hong Kong and the detailed implementation programme with phasing and packaging of works for YLS Development Area – Third Phase Development is being formulated.
