1. Background

- 1.1 On 24.4.2024, the applicants sought the current application to rezone the application site (the Site) from “AGR”, “GB” and “G/IC” to “OU(I&T Hub)” (**Plan Z-1**) to facilitate the development of an international Innovation and Technology Hub, subject to a maximum non-domestic gross floor area (GFA) of 365,180m² and a maximum domestic GFA of 170,400m² and an overall building height profile ranging from 80mPD to 120mPD.
- 1.2 On 14.6.2024, 17.6.2024 and 24.6.2024, the applicant submitted further information (FI) to address departmental comments.

2. Request for Deferment

On 26.7.2024, the applicants' representative wrote to the Secretary of the Town Planning Board (the Board) and requested the Board to defer making a decision on the application for two months in order to prepare FI to address departmental comments (**Appendix I**).

3. Planning Department's Views

- 3.1. The Planning Department has no objection to the request for the first deferment as the justification for deferment meets the criteria as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33B) in that the deferment would allow the applicant to prepare FI to address outstanding issues.
- 3.2. Should the Rural and New Town Planning Committee (the Committee) agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of FI from the applicants. If the FI submitted by the applicants is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicants should be advised that the Committee has allowed two months for preparation of the submission of FI, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede the applicants' request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
