- Proposed Amendment** : To rezone the application site from "Residential (Group B)" and "Green Belt" to "Other Specified Uses" annotated "Religious Institution with Columbarium"

**1. Background**

- 1.1 On 25.1.2021, the applicant submitted a planning application to rezone the application site (the Site) from "Residential (Group B)" ("R(B)") and "Green Belt" ("GB") to "Other Specified Uses" annotated "Religious Institution with Columbarium" ("OU(Religious Institution with Columbarium)") to continue the existing religious institution and columbarium use (providing 1,779 niches) under the name of Puguangming Temple (普光明寺) (**Plan Z-1**). According to the applicant, all 1,779 niches under application were sold as at 30.6.2017. The application is scheduled for consideration by the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) at this meeting.
- 1.2 On 24.12.2021, the Committee agreed to defer making a decision on the application

for two months at the request of the applicant in order to allow time to prepare Further Information (FI) to address departmental comments.

- 1.3 On 23.2.2022, the applicant submitted FI including responses to comments to address comments from Transport Department (TD), Agriculture, Fisheries and Conservation Department (AFCD) and Water Supplies Department (WSD). The application is scheduled for consideration by the Committee at this meeting.

## **2. Request for Deferment**

On 12.5.2022, the applicant's representative wrote to the Secretary of the Board and requested the Board to further defer making a decision on the application for two months in order to facilitate Food and Environmental Hygiene Department (FEHD) to complete the verification of the niches (**Appendix I**).

## **3. Planning Department's View**

- 3.1 The Planning Department has no objection to the request for the second deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33A)<sup>1</sup> in that the deferment would allow more time for the applicant to prepare FI to FEHD.
- 3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within three months upon receipt of further submission from the applicant. If the FI submitted by the applicant is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed a total of four months for preparation of the submission of FI. The second deferment should be the last deferment and no further deferment would be granted unless under very special circumstances and supported with strong justifications.

## **4. Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
