## 1. **Background**

- 1.1 On 29.3.2021, the applicant submitted the current s.12A application to rezone the subject site (the Site) from “GB” to “G/IC(1)” to continue the existing columbarium use (providing a total of 6,396 niches, of which 2,993 are sold niches) under the name of “Ching To Yuen” (淨土園) at the Site (**Plan Z-1**).
- 1.2 On 26.11.2021 and 4.3.2022, the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) agreed to defer making a decision on the application for two months, as requested by the applicant, in order to allow time to prepare Further Information (FI) to address departmental comments.
- 1.3 On 25.4.2022, the applicant submitted FI including response to comment tables and lease information to address the comments from Transport Department (TD). The application is scheduled for consideration by the Committee at this meeting.

## 2. **Request for Deferment**

On 28.6.2022, the applicant’s representative wrote to the Secretary of the Board and requested the Board to further defer making a decision on the application for two months in order to allow more time to prepare FI to address departmental comments (**Appendix I**).

## 3. **Planning Department’s Views**

- 3.1 The Planning Department has no objection to the request for the third deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33A)<sup>1</sup> in that the deferment would allow more time for the applicant to address departmental comments.
- 3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within three months upon receipt of further submission from the applicant. If the FI submitted by the applicant is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee’s consideration. The applicant should be advised that the Committee has allowed a total of six months for preparation of the submission of FI. This is the third deferment. No further deferment would be granted.

## 4. **Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant’s request for deferment. If the request is not acceded to, the application will be submitted for the Committee’s consideration at the next meeting.

---

<sup>1</sup> The number of deferments to be granted as stipulated under TPB PG-No. 33A is not applicable to this application which was received before the promulgation of the revised guidelines on 24.8.2021.
