Dear Sir/ Madam,

To rezone the application site from “Green Belt” to
“Government, Institution or Community”
(Y/TM/25)

1. We refer to the captioned.
2. We urge the Board to look at some aerial photos showing the application site and its surroundings taken in various years which show the landscape changes in the locality (Figure 1).
3. We also urge the Board to investigate with relevant authorities for how many ongoing applications relating to columbarium use are in the current Green Belt (GB) zone.
4. Approval of this application would set a precedent case for other similar applications in this GB zone; we urge the Board to seriously consider the potential cumulative impacts (including the potential impacts on the nearby Po Tin Estate) of approving this application.
5. Thank you for your attention.

**To rezone the application site from "Green Belt" to "Government, Institution or Community"
(Application No. Y/TM/25)**

Dear Chairman and Members,

Designing Hong Kong Limited **objects** the captioned for the following reasons:

- The proposed area is zoned as "**Green Belt (GB)**". The planning intention of this zone is primarily for defining the limits of urban and sub-urban development areas by natural features and to contain urban sprawl as well as to provide passive recreational outlets. There is a general presumption against development within this zone.
- From the Google Earth's aerial image, the proposed site has been cleared since 2004 and structure found at the site in 2012, without any planning approval . We concern the Town Planning Board may be rewarding an "**Destroy First, Development Later**" practice and **unauthorized development** here through the approval of captioned application.

November 2012

March 2020

- As the application shares the same road with the resident of Po Tin Estate and Kwong Shan Tsuen, we concern the approval of the application may bring adverse traffic impact to the surrounding neighbourhood, especially during the Ching Ming Festival and Chung Yeung Festival.
- The applicant claims there are sufficient parking lots for visitors. However, there are several similar applications under the Town Planning Board discussion (Application No. Y/TM/23 and Application No. Y/TM/24). We concern the clustering of columbarium may cause huge amount of visitors to the site during the peak season and there may not have enough parking lots as well as public transport connection to the application site.
- The approval of the application would set an undesirable precedent for other applications within the "Green Belt (GB)" zone, and lead to a general degradation of the rural environment as well as the living quality of the residents of the area.

Here we submit our concerns for your consideration.

Yours,
Designing Hong Kong Limited

Dear TPB. Members,

According to the Private Columbarium Licensing Board data there are 6 Applications for this site.

Hing Fu Street, Kwong Shan Tsuen, Tuen Mun, New Territories (DD132 LOT 1744 D RP & 1744 D S.S.1) Filial Praise Niches

[Covering only niches already sold before 30 June 2017]

Under Processing (Applicant has not submitted some documents)

There is no indication in the application as to how many niches were sold before 30 June 2017.

The references to an E-Worshipping System can be taken with a pinch of salt. This is the columbarium equivalent of Green Wall.

Object to rezoning and any additions to the number of niches allowed under the PCLB regulations.
