Subject: S.17 of Planning Application (No.:A/I-TCTC/61) - Request for Deferral

Dear Sir,

We refer to the captioned S.17 of Planning Application (No.:A/I-TCTC/61). The applicant needs more time to address the departmental comments on landscape aspect which include the hiring of professional consultant and preparation of tree survey and analysis. We have difficulty on finding such professional. Therefore, we would like to request the Town Planning Board to defer making a decision of review of S.17 of Planning Application (No.:A/I-TCTC/61) for 2 months for preparation of further information to address departmental comments.

regards,
Dickson Man
