1 Background

- 1.1 On 6.10.2021, the applicants sought planning permission for proposed comprehensive residential development with commercial uses and social welfare facilities under section 16 of the pre-amended Town Planning Ordinance (the pre-amended Ordinance) ¹ (**Plan R-1**). On 3.2.2023, the Committee of the Town Planning Board (the Board) decided to reject the application.
- 1.2 On 20.2.2023, the applicants applied, under Section 17(1) of the pre-amended Ordinance for a review on the Committee’s decision to reject the application.

¹ The “pre-amended Ordinance” refers to the Town Planning Ordinance as in force immediately before 1.9.2023.

2 Request for Deferment

On 15.3.2024, the applicants' representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months so as to allow more time for further consultation with Government departments and preparation of further information to address departmental comments (**Annex A**).

3 Planning Department's Views

3.1 The Planning Department has no objection to the request for the first deferment as the justification for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations, and Applications made under the Town Planning Ordinance (TPB PG-No. 33A) in that the deferment would allow the applicant to prepare further information to address departmental comments.

3.2 Should the Board agree to defer a decision on the application, the application will be submitted to the Board for consideration within three months upon receipt of further submission from the applicants. If the further information submitted by the applicants is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Board's consideration. The applicants should be advised that the Board has allowed two months for preparation of the submission of further information, and no further deferment would be granted unless under very special circumstances.

4 Decision Sought

The Board is invited to consider whether or not to accede to the applicants' request for deferment. If the request is not acceded to, the application will be submitted to the Board for consideration at the next meeting.
