1. Background

- 1.1 On 14.4.2022, the applicant sought planning permission for temporary container vehicle park and open storage of construction materials with ancillary tyre repair area, site office and storage uses for a period of 2 years at the application site under section 16 of the Town Planning Ordinance (the Ordinance) (**Plan R-1**). On 13.1.2023, the Committee of the Town Planning Board (the Board) decided to reject the application.
- 1.2 On 20.2.2023, the applicant applied, under Section 17(1) of the Ordinance, for a review on the Committee’s decision to reject the application.

2. Request for Deferment

On 18.4.2023, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months so as to allow time for preparation of further information to address departmental comments (**Annex A**).

3. Planning Department's Views

- 3.1 The Planning Department has no objection to the request for the first deferment as the justifications for deferment meets the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33A) in that the deferment would allow the applicant to prepare further information to address outstanding issue(s).
- 3.2 Should the Board agree to defer a decision on the application, the application will be submitted to the Board for consideration within three months upon receipt of further information from the applicant. If the further information submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Board's consideration. The applicant should be advised that the Board has allowed a total of two months for preparation of submission of further information, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Board is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Board's consideration at the next meeting.
